Focusing on the glory

Some Greeks were among those who had gone to Jerusalem to worship during the festival. They went to Philip (he was from Bethsaida in Galilee) and said, 'Sir, we want to see Jesus'.

Philip went and told Andrew, and the two of them went and told Jesus. Jesus answered them, 'The hour has now come for the Son of Man to receive great glory. I am telling you the truth: a grain of wheat remains no more than a single grain unless it is dropped into the ground and dies. If it does die, then it produces many grains.' (verses 20-24)

A flower seed is planted and, some time later, a new bloom, bearing many seeds, stands proud and gorgeous. The seed has had to give up its own life in order to produce new life.

Jesus had to give up his life in order to experience resurrection glory and ensure life for his followers. There had to be a Good Friday, a day of death, before there could be an Easter Sunday, a day of life.

The process of dying is something we'd rather not have to go through, but we do have to die one day. Our dying, though, because of Jesus, has now become merely an entry into resurrection glory. From our death will come new life, life that is as real and tangible as the petals of that new bloom in your garden – only more beautiful.

Let's keep our eyes fixed not on the grave but on the glory beyond it.

Jesus, thank you that my death will give rise to a superb life with you. Amen.

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers

Well done to all the students on their participation at last Friday's Inter-house Cross Country Carnival. Even though the weather was very hot and made for trying running conditions, the students stuck to their task and finished their respective races so well. Congratulations to those students who were place getters in their respective year levels or age groups. A Senior School Team will now be chosen to represent St Paul's at the district trials early next term. Thank you to all the parents and other supporters who attended to support all of our students on the day. Thank you to the Grace College students and staff members who came across to help out on the day. A final thank you and shout-out has to go to the St Paul's staff, very ably led by Miss Jess, Gall, for hosting a great carnival. Our focus over the coming weeks and into Term 2 will be on athletics.

Last Sunday our Year 5 students presented a very rich and inspiring School Sunday which focused on Dreaming, Believing and Achieving. Thank you for the very interactive way in which this message was shared with us. I am led to believe that the students choreographed all the dances on their own – don't you just love the creativity and the willingness to take a risk which was displayed by this year level. Thank you to the many families and friends who attended to support the students on Monday. Thank you to the Year 5 team of Mr. Nicholls, Mrs. Cottrell, Mrs. Kerr and Mrs. Klinge for your role in scaffolding and supporting this wonderful experience for and with the students in your care.

Last week Tuesday the P&F Group held their Annual General Meeting. Thank you to the many parents who attended this event. The P&F Group is a vital communication and relationship building link between the school and the wider parent body. I am pleased to announce the newly elected P&F Executive for 2019:

President: Lyndel Miles, Vice President: Sammie Hammond, Secretary: Elizabeth Wilson, Treasurer: Ian Bloxham, General Members elected to the Executive: Alisha Robinson and Leanne Stephan.

Thank you to this group of parent volunteers for your commitment to our school community in 2019.

Tonight we will be celebrating with a large number of our students as they share with us their incredible talents and passion for music and song at our first Music Showcase for the year – see you there!

Please remember that the electronic booking system is now open for our Student/Parent/Teacher Conversations [next week Thursday \[4pm – 8pm\]](#) and Friday [\[8am – 12pm\]](#). Please let the office know if you are having any difficulties logging on and making a booking time[s] for your family.

Have a safe week as we enjoy our ongoing Indian Summer.

Yours in Christ.

Stations of the Cross – Monday 1 April

As we enter the Christian Season of Easter, we look forward to sharing the Easter story with the students on Monday 1 April with The Stations of the Cross activity. This will be instead of chapels. Parents are welcome to join us for this activity. It involves each class visiting the stations to experience the Easter story. As this means a staggered start for the classes, please check times with class teachers. Please ensure you sign in at the office if you would like to take part in this.

INSIDE STORY: Phys. Ed.

On the Physical Education front, earlier this Term our Senior students had the opportunity to show off their dance skills in a Dance Fever session. Followed up by an introduction to the game of Volleyball and increased endurance and fitness drills in preparation for the Cross Country season.

Junior students were involved also in endurance activities throughout this term and enjoyed their time learning the basics of Tennis. Great participation and energy has been seen from all students.

Thus far, St Paul's students have had a busy Term 1 full of a variety of sporting opportunities. Swimming lessons, District Swimming, Inter House Swimming, AFL & Soccer Gala Days 1 & 2, Inter Lutheran Swimming & Inter House Cross Country. New achievements, new experiences, new friendships & new skills continued to be explored!!

LYQ - Faith Leaders Advance Breakfast

Last Thursday the School, Faith and Service Captains attended the LYQ's Faith Leaders Advance Breakfast at Kawana Waters Hotel. Here is what the captains reported about it;

On Thursday I was privileged to attend a Leadership Breakfast with my fellow school leaders. It was an early start to the day at 6:00am at school, then travelling with Mrs Kube and Chappy Teneille to Kawana Waters. The leadership breakfast was run by LYQ. It talked about vulnerability and trying to fit in or just be yourself and having courage speak up to others. There was a motivational speaker that talked about her

life and when you have to try and fit in and it was inspiring. There were videos about having courage and achieving something. We were also lucky to have a yummy breakfast and lots of hot chocolate. I appreciated this experience.

Maddox Petty

The guest speaker was talking about being brave and that 20 seconds inbounds bravely is good not bad. To fit in is to not be yourself and to do whatever it takes to be up there. To belong is to feel like you fit being yourself and not needing to hide yourself. The hot chocolates were good too.

Tobey Williams

Today we attended the LYQ leadership breakfast. There was a lady talking about her life and what it was like moving from Brisbane to Melbourne. We had to do a who am I and we had to choose a picture and write our qualities that we think we have and write them in the shape.

NAPLAN 2019 Year 3 and Year 5

Parents and Caregivers will have received a letter outlining the NAPLAN process and dates. Next week I will publish the timetable for the NAPLAN testing to take place in May.

This Wednesday, 27 March, we will be running a practice test for NAPLAN in Years 3 and 5. This will enable us to observe how our internet will manage with the new online testing and any issues that may occur.

If you have any queries regarding NAPLAN, please come and see me as soon as possible.

Lost Property

Please check the Lost Property Box for any items that may have been misplaced. It is important that ALL belongings are clearly named. This means that if any item does go missing it can be returned to the right owner. **Any items left in the Lost Property Box at the end of term will be disposed of.**

iPads, Home Folders and School Bags

Parents are asked to remind students of our school's procedure for taking iPads to and from school. All students are expected to place their iPad inside of their home folder and then put their home folder into their school bag. iPads can only be removed from the bag once at the classroom when arriving at school or when parents allow when travelling home from school. Prep students' home folders are to be put into school bags too even though they do not have iPads. This will establish a safe routine for the years that follow.

GSP Netball – Round 2 Scorchers

Following a week off from netball on Saturday 16th, due to our crazy Qld weather, we were greeted with a scorcher on the following Saturday for Round 2.

The day started off with our new and continuing Whistleblowers, whistles in hands and ready to learn the skills for becoming a netball umpire. Thank you to our members for putting their hands up to take on this important role which keeps the wheels turning for our club and the Caboolture Netball Association (CNA). We look forward to supporting you through your education of all things netball!

We then headed into an incredibly hot day of netball in which saw some great results for our teams, with our Division 1 Vortex team scoring their first win in what is going to be a very tough season. Thank you to those who sported their orange outfits in support of CNA's day of anti-bullying recognition.

Finally, GSP Netball Club would like to thank **Jo Costall** and **Costall Drainage Pty Ltd** for organising and sponsoring our new GSP teardrop and rectangle banner that we will now use at our events such as March Forward, Netball carnivals, duty day etc. We are looking very professional!!
