

## Uniform and Dress Statement

### Preamble

The St Paul's uniform, coupled with good grooming, projects our school image and encourages pride in the school. The uniform also serves to set a consistent and good standard of dress to be shared by all students, irrespective of family background.

### The Uniform

St Paul's has adopted a simple, practical and attractive school uniform both for formal and sport wear. Every child is expected to wear this uniform on all school days and at some special school functions. Additions, adaptations or optional dress will not be accepted. The uniform must be maintained to a high standard as old, worn, dirty or torn clothing is unacceptable.

Good footwear is vital for growing and active feet. For this reason we require plain black, leather lace-up school shoes to be worn with the dress uniform. For sports days we require plain white lace-up joggers. Extravagantly labelled and "loud" sports shoes are not acceptable. Children are expected to arrive at school each day in clean shoes. Remember, it is the responsibility of parents to ensure their child is correctly dressed at all times.

### POLICY

1. Official uniform is only available from the school uniform shop. Only in cases of very special need and with school approval will alternative uniform be acceptable.
2. Apart from the vest, sports uniform and dress uniform cannot be mixed.
3. Names are required on all uniform articles.
4. No jewellery of any type, other than gold or silver girls' plain sleepers or gold or silver plain round metal studs (one plain sleeper or stud per ear, no gem stones, crosses or shapes). Sleepers and studs must be either taped or removed during sporting activities, or as required by the sports code. No earrings permitted for boys. No Make-Up. No Nail Polish.
5. Watches are acceptable.
6. Sunglasses that meet the Australian Standard (AS 1067) may be worn with the school uniform. Hair is to be kept neat and tidy without colour, spikes or tails. Girls' long hair past collar length must be tied back and longer fringes must be secured off the face. Boys need neat conservative hair styles no longer than collar length. No cuts shorter than Number 3 all over. No severe undercuts. No tracks or patterns.
7. Listed below are the set days on which uniforms are worn.

<b>Prep</b>	<b>Sports uniform is worn everyday.</b>
<b>Years 1-2</b>	<b>Sports Uniform – Tuesday, Wednesday, Thursday Formal Uniform – Monday, Friday</b>
<b>Years 3-6</b>	<b>Sports Uniform – Tuesday, Wednesday, Friday Formal Uniform – Monday, Thursday</b>

8. The uniform has been designed with both summer and winter seasons in mind. The uniform for both boys and girls is light and cool for summer days and progressively added to as the weather turns cooler/cold. For very cold days, the vest and track top can be worn - while girls can add green coloured tights and boys long trousers. There is no official 'summer' or 'winter' season for uniform.
9. The school operates a "no hat; no play" policy. Students without hats are sent to the under covered areas. Only official St Paul's bottle green hats are to be worn.

***Remember: The responsibility to see that children are appropriately dressed and groomed for school resides with the parents. Checks are made periodically through the term to see that children comply. Violations are recorded and parents notified.***

### SECOND HAND UNIFORM POLICY

Second hand uniforms are a useful source of clothing for families on tight budgets. St Paul's is happy to sell second-hand uniforms on behalf of school families but under the following conditions:

- Items for resale must be delivered in a clean condition, freshly laundered.
- Parent's name and address, plus student's name must be clearly stated and attached to the items.
- Items are to be delivered to the Uniform Shop Convenors or to the office.
- The school retains 25% of the sale price as commission.
- If any school fee is outstanding, the uniform sale will be directed to that debt.
- Payment may be credited to school fees or deposited directly to bank account.

Convenors will price each item of clothing but will only accept clothing in good condition. Clothing left at the shop and deemed unsaleable will be used for emergencies (e.g. if a student becomes wet). Under these circumstances, it is the responsibility of the parent to launder these used clothes and return them to the office for further emergency use.
