Dear Parents,

The Spring holidays are fast approaching, book now and take advantage of our vacation care service over this time. The Vacation Care Program will be running from Monday 23.09.19 till Friday 04.10.19. It costs \$48 per day per child minus any relevant Child Care Subsidy. Additional costs as part of incursions, excursions or special activities will be added on top of this initial cost and be included in the fee incurred on the day.

Please return the Booking Form as early as possible to ensure a place

We are seeking responses from parents as to whether their children will be needing care before the commencement of vacation care. This allows for the planning of activities and staffing arrangements. If you require care for your children through the holiday, please let us know by filling out the Booking Form attached, indicating the days and times that your child will require care. Day to day bookings can only be accepted if vacancies are available, as we are limited by our child/staff ratios. Bookings can be made on the day, but be advised that you may be declined due to child-staff ratios.

Cancellations

If you require the cancelling of any bookings, please contact us as soon as possible. Cancellation of care requires 48 hours' notice. Any cancellations made after the 48 hours cut-off will be charged for the Day plus any additional costs.

Dress Code

Please ensure that your child/ren are dressed appropriately while in care at our service. Take note of the following guidelines:

- Bring a broad brim hat (NO caps)
- Closed in shoes are to be worn at all times (children will not be permitted to take part in special activities, including excursions, if wearing thongs or sandals)
- Tops/shirts must have sleeves that cover the shoulders (NO shoe-string straps or singlets)
- Recommended: bring a spare set of clothes and underwear.

We ask parents to consider the clothes that their children are wearing and ensure that they are suitable for physical play and activity, i.e. no high heels/platforms, mini-skirts/shorts, midriff tops, tight or revealing clothes. These types of clothing may limit the activities in which a child can participate. We advise parents to encourage a modest standard of dress to avoid any embarrassment.

Lunches

You must provide ample pre-prepared **morning tea, lunch and afternoon tea**. Occasionally the program includes meals provided by the service, in these cases it is recommended that enough food is supplied for these meal times just in case. While water is always available for children, but it is recommended that you provide a water bottle for your child as well.

Personal Items

We ask that parents label all items that children bring to Vacation Care, and note that all the items banned from school (trading cards, mp3 players/iPods, mobile, phones, iPads and other IT devices) continue to be banned within the Vacation Care Program and will be confiscated and given to parents at the end of the day.

Thank you for your assistance with our preparations for the Vacation Care Program. Attached is an outline of our Vacation Care Program.
