Re: Welcome to Term 4

Dear Parents and Caregivers of Year 4 Students

We hope that you have enjoyed a lovely, restful break and are looking forward to the term ahead as much as we are.

This term, students will be inquiring and investigating into what makes people healthy and how we can live a healthy and active lifestyle within the community. The classes will visit the PCYC at Redcliffe for a day in bike and road safety education. They will demonstrate their learning through a variety of ways and the topics will be integrated with persuasive writing. Students will continue to build on reading skills with a strong focus on comprehension, in particular inference and making connections. During maths students will explore measurement, money, time, chance and place value.

The primary focus of home learning is to ensure your child is reading every night.
