Instructions to Parents on Managing the Booklist 2020

1. Please bring in **all** items on the book list to the 'Family Administration Day'. We will have specific areas in the classroom where your child can store their spare books, folders and stationery.

2. Please label or name all of your student's books and stationery as your child will be responsible for the majority of it, spare items will be kept in specific areas in the classroom.

Thank you,
