GOD'S GIFT Luke 2:1-20

He went to register with Mary, who was promised in marriage to him. She was pregnant, and while they were in Bethlehem, the time came for her to have her baby. She gave birth to her first son, wrapped him in **strips** of cloth and laid him in a manger-there was no room for them to stay in the inn.

It's no secret that children love Christmas. And it's no secret that children love presents. Children don't question the motives of those who give them gifts, and they don't weigh up whether they've actually been good enough to receive the gifts they get given. They simply receive and enjoy.

God has given you the greatest gift that he could give. He has given you Jesus. The little baby who was born in Bethlehem is the same person who died as a sacrifice for your sin at Golgotha and now prays for you at God's right hand.

Your Father in heaven is pleased to give you his Son. He is delighted to give you his life and salvation and peace. Receive him with joy, because your Father in heaven wants nothing more than for you to receive every gift that he gives.

Father, thank you for giving me the gift of your Son. Make me eager to receive all your gifts, so that I may enjoy your life to the full. Amen.

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers

As we come to the end of another year of learning, living and growing at St Paul's, I would like to thank every student, parent, caregiver, staff member and friend of our community for your wonderful support and loyalty throughout the year. Our first school value this year was **Quality** – a strong foundation on which so much building took place in 2019. Quality is evident in all areas of the school and even though we continue to grow a reputation for being innovative and forward thinking, which was further affirmed in our nomination at the Australian Education Awards as Primary School of the Year, we need to keep reminding ourselves that we can keep doing better, not to be satisfied with mediocrity and to remain humble at all times. We thank God for His daily blessings on us as a community.

Closing Services and Events

This year's closing celebrations kicked off last week with the Kindergarten graduation for the class of 2019. We look forward to welcoming the majority of these Kindy students and their families into the school next year. Last night saw us begin to farewell our Year 6 students and their parents at a Graduation Dinner. Tonight, we will be hosting our whole school end-of-year Closing Chapel and Awards Service. On Wednesday all the Prep – Year 5 students will also be part of our "step-up" initiative as they get the opportunity to step-up to their learning space as well as meeting their teacher[s] for next year. We also look forward to welcoming and hosting those new students transitioning from other schools to Year 1-6 at St Paul's next year. Parents and Caregivers, you will also have the opportunity to meet your child's teachers at FAD [Family Admin Day] which will take place on Thursday 23 January next year.

Staff news

We will be saying farewell to Mrs Narelle Palmer [Learning Support and Learning Extension Teacher] as she takes up a position at Arethusa College in Deception Bay next year. I would like to thank Narelle for her commitment to St Paul's over the past 4 years and wish her every blessing in her new position. We look forward to welcoming Mrs. Katrina Russell to our school in 2020 and pray that God will bless her as she prepares for the new school year at St Paul's.

Mrs Mel Kerr [Year 5] has also let my office know that she will be stepping away from her part-time role at St Paul's to take up a full-time teaching position at Samford State School next year. As a long-standing staff member, Mel will be missed by all. We wish Mel all the best and every blessing as she prepares to take up this new position.

Christmas Concert and Carol in Caboolture Night

What a fabulous community event was held last Friday night. Thank you to all the staff involved for the hours of rehearsing, planning and supporting of the students and one another which resulted in a great evening. Happy and Safe Holidays

As we approach the end of another busy year, I would like to take this opportunity to thank you for the support you have given both to your child and to the school.

The holiday break should provide you the opportunity for rest and relaxation. One of the best ways to relax and calm the mind is to read. Please remember that reading with your child every night will help them a great deal with being prepared for the next school year.

I would like to congratulate all the children on their hard work this year. I wish all those leaving us a successful future.

I'd like to wish all our students and families a very Blessed Christmas. I hope the holidays provide you with the opportunity to stop and enjoy some family time.

Deputy Principal
