Dear Parents,

The summer holidays are fast approaching, get in and take advantage of our vacation care service over this time. The Vacation Care Program will be running from Monday 06.12.18 till Monday 28.01.19. It costs \$48 per day per child minus any relevant Child Care Subsidy. Additional costs as part of incursions, excursions or special activities will be added on top of this initial cost and be included in the fee incurred on the day.

**Please return the Booking Form as early as possible to ensure a place**

We are seeking responses from parents as to whether their children will be needing care before the commencement of vacation care. This allows for the planning of activities and staffing arrangements. If you require care for your children through the holiday, please let us know by filling out the Booking Form attached, indicating the days and times that your child will require care. Day to day bookings can only be accepted if vacancies are available, as we are limited by our child/staff ratios. Bookings to be in by 6.00pm close of trade the day, or before if possible.

**Cancellations**

If you require the cancelling of any bookings, please contact us as soon as possible. Cancellation of care requires 24 hours' notice. Any cancellations made after the 24 hours cut-off will be charged for the Day plus any additional costs.

**Dress Code**

Please ensure that your child/ren are dressed appropriately while in care at our service. Take note of the following guidelines:

- Bring a broad brim hat (NO caps)
- Closed in shoes are to be worn at all times (children will not be permitted to take part in special activities, including excursions, if wearing thongs or sandals)
- Tops/shirts must have sleeves that cover the shoulders (NO shoe-string straps or singlets)
- Recommended: bring a spare set of clothes and underwear.

We ask parents to consider the clothes that their children are wearing and ensure that they are suitable for physical play and activity, i.e. no high heels/platforms, mini-skirts/shorts, midriff tops, tight or revealing clothes. These types of clothing may limit the activities in which a children can participate. Due to comfort encourage a modest standard of dress to avoid any embarrassment.

**Lunches**

You must provide ample pre-prepared **morning tea, lunch and afternoon tea**. Occasionally the program includes meals provided by the service, in these cases it is recommended that enough food is supplied for these meal times just in case. While water will always be available on demand, it is recommended that you provide a water bottle for your child as well.

**Personal Items**

We ask that parents name all items that children bring to Vacation Care, and note that all the items banned from school (trading cards, mp3 players/iPods, mobile, phones, iPads and other IT devices) continue to be banned within the Vacation Care Program and will be confiscated and given to parents at the end of the day.

Thank you for your assistance with our preparations for the Vacation Care Program. Attached is an outline of our Vacation Care Program.
