Re: Year 4 Excursion to Waste Management Facility, Caboolture

Dear Parents and Caregivers of Year 4 Students

As part of this term's inquiry into waste management and sustainability, an excursion has been planned to the Waste Management Facility at Caboolture. The excursion will inform students of the waste management processes in the Moreton Bay Shire and give them an opportunity to develop ideas about the impact of waste on our world and how effective we manage waste disposal. Students will be encouraged to consider ways waste can be reduced and how waste management might be improved to ensure a more sustainable future.

The details of this excursion are outlined below, and a Parent Consent/Medical Form has been attached for you to complete and return to your child's classroom teacher **by Wednesday 13 February 2019**.

Please Note: It is a legal requirement that Parent Consent/Medical Forms be returned prior to the Excursion. It is the school's requirement that this be returned by Wednesday 13 February 2019. If your child's form is not received by this date, they will not be able to attend the Excursion.

When: Monday 18 February 2019

Leaving: 9:00am

Returning: 11:30am

Transport: Bus

Where: Moreton Bay Regional Council Waste Management Facility,
51 McNaught Road, Caboolture

Purpose: To inform students about waste management processes and practices to help reduce waste. Students will view how waste is handled at the facility and take part in activities organised by the facility.

What to Wear: Sports Uniform, Sport Shoes, School Hat

What to Bring: Water bottle and hat

Please ensure that all medications for your child are clearly labelled and are handed to the teachers on the morning of the excursion.
