Dear Parents and Caregivers

St Paul's has invited a representative from the National Disability Insurance Agency to visit the school on **Thursday 4 April 2019** (Week 10). The NDIA will be sharing information about how St Paul's can assist children with a disability (diagnosed or undiagnosed) and their families to complete the NDIS access process. We would like to invite any families interested in accessing the NDIS to join us at **9:30am**. The session will begin with a presentation from NDIA and will be followed by a general question and answer session for families from **10:30am – 11:00am**.

Please RSVP to the School Office by Tuesday 2 April 2019 to assist with finalising numbers and venue.

What is NDIS?

The National Disability Insurance Scheme (NDIS) is the new way of providing support for people with disability, their families and carers in Australia. It will provide all Australians under the age of 65, with an ongoing and significant disability with the reasonable and necessary supports they need to live an ordinary life.

We look forward to having you come and join us.

Kind regards
