Year 4 Maranatha Camp

Tuesday 11 June

P&F Executive/General Meeting 3.15pm

Wednesday 12 June

School Officer Day

Year 6 Parliament House & Jewish

Synagogue Excursion

For those of you who like ROCK music ...

You may have thought that ROCK music is a genre of popular music that originated and evolved in the US during the early 1950s. Wrong! The original ROCK song is found in the Bible. Psalm 40.

God Rocks Our World! In three quite different ways:

He is Rock solid, the only safe foundation to build on.

God rocks our boat, occasionally. To stir our thinking and encourage our belief in him.

God rocks, as in, he is totally awesome.

Each of these ideas can be found in Psalm 40:1-3

"I waited for the LORD. He turned to me and heard my cry for help. ² I was sliding down ... he pulled me out. He brought me up out of the mud and dirt. He set my feet on a rock. He gave me a firm place to stand on. ³ He gave me a new song to sing. Many people will see and have respect for the LORD. They will put their trust in him." (NIVR)

So, God Rocks Our World. G.R.O.W. Now, there's a new insight on what it means to GROW as one of God's people.

Pastor Mike.

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

As the wonderful "Indian summer" weather keeps rolling on, we now find ourselves at the midway mark for Term 2! Visitors to our school both last week and as recently as yesterday have commented on the beautiful school yard and gardens – something which, I have to admit, I now take for granted as been part of what makes our school so special. Thank you to our grounds and maintenance staff, Ms. Dickens and Mr. Roper, for the back-breaking work which takes place every week to keep our school looking pristine.

Thank you to GSP Soccer for hosting a very competitive Christian Schools' Cup tournament last week. It was great to see so many students, and especially so many girls, spending their Tuesday afternoon involved in this competition. Both of our Senior School teams made their respective grand finals with one of these teams stepping away as the grand champions – well done to all of you!

St Paul's also narrowly missed out by one point to win the overall competition. Thank you to all the parents, grandparents and other supporters who came along to cheer on the students and help out at the food stall. Thank you to Mr. Matt Nicholls, the GSP Soccer Co-ordinator, for planning and hosting a wonderful afternoon of sport.

Last week Friday our Kindergarten also hosted their annual Sports Day. This year we extended the invitation to some of the neighbouring Early Learning Centres and were pleased to host one of the centres who took up our offer. Thank you to Mrs. Sam Beaman and her Kindy Team for the planning and running of this event

This week will see the students begin their second rotation of Inquiry Learning for 2019. Your students next Inquiry Unit has been put up in the main Undercover Area, so please drop in and spend some time looking at the information about the rich learning which will be happening across the whole school over the next 10 weeks.

Over the past few months we have been working with a number of school clothing manufacturers and suppliers to come up with a new design and look for our boys' formal shirts as well as formal shorts for the girls. I am pleased to announce that we are almost there, and we will endeavor to keep the parent body updated as this process unfolds. Our aim has been to introduce a formal style of shirt for the boys which does not require for it to be tucked in. It is important, just as we did with the new formal dress for the girls, that we get this right from the start. Thank you to Mrs. Debbie Forshaw, our Uniform Shop Co-ordinator, for all the work done behind the scenes to make this a reality. Watch this space!

Student achievements – Congratulations to Chelsea Mead on qualifying for the State Equestrian Championships to be held in July. Chelsea will be representing St Paul's in Dressage and Combined Training. Well done Chelsea, it is great to see you excelling in your chosen sport!

We look forward to hosting you this coming Thursday [at school] and Friday [at Apex Park] as the Senior School students [Year 3 -6] participate in their Athletics Carnival. A school team will then be selected to represent St Paul's at the District and Inter-Lutheran Athletics Carnivals.

Wishing everyone a safe week.

Yours in Christ.

Anton Prinsloo

Principal

Quote of the Week: *Cruelty and wrong are not the greatest forces in the world. There is nothing eternal in them. Only love is eternal.* [Elisabeth Elliot]

FROM THE DEPUTY

Named Uniform

Please make sure that all uniform items are named, especially jumpers and jackets. With the cooler mornings, many students come to school wearing jumpers or jackets and take them off as the day warms up. If the item is named it can be returned to the right owner. This unfortunately is not the case if unnamed.

Student ID Tags on bags

Please make sure that your student(s) has their Student ID Tag attached to their bag. This allows for a smooth process when checking in and out of school.

Toys/Sports Equipment at school

Students are NOT allowed to bring toys or sports equipment to school unless it is for some sort of presentation etc in the classroom. We do not want much loved toys or expensive sports equipment being lost or damaged.

Restorative Practices Parent Workshops

Restorative Practices Parent Workshops are being held on **Tuesday 4 June at 2pm and 6pm**. Registrations can be made via the Facebook event page or with the school office.

.. Restorative Practices in schools provide a focus on developing positive relationships between all members of the school community, as well as opportunities for people to take responsibility for their behaviour & learning.

.. Restorative Practices assists teachers, students and parents to build, maintain and restore relationships.

.. Restorative Practices will help build capacity to enable students to self-regulate behaviour and contributes to the improvement of learning outcomes.

Home Folders

All students should take their Home Folder to and from school every day. Students are asked to put their iPad in their Home Folder as well as any Home Learning or letters/notes that are going home. Please check your child's Home Folder each night.

Lois Kube

Deputy Principal

FROM THE HEAD OF TEACHING AND LEARNING

Inquiry Units

You may notice that each year level has commenced their new Inquiry units for the next 10 weeks which will lead into our Term 3 Learning Expo on Wednesday 21 August. These inquiry units are available for viewing in the glass case near the bubblers in the undercover area. We look forward to seeing how each year level will bring their units to life in the Learning Expo!

Saving Lil and Archie Production

This theatre performance is a great opportunity for the school and wider community to consolidate the learning the students have had each year in relation to the eSmart and Cyberbullying components we cover. If parents would like to come along to this, please let Miss Baker know. Prep – Year 2 is on Thursday 13 June at 1:35 pm and Years 3 – 6 on Friday 14 June at 8:50 am.

CELEBRATING STUDENT ACHIEVEMENT

Congratulations to the following students who were celebrated at assembly:

Prep	Izabella S Ivy L	Sharing with others.
Year 1	Addior A Evie W	Recognising and working on their reading goals.
Year 2	Hayden M Louis T Ayak A	Being brave to participate in writing. Recognising and working on your reading goals.
Year 3	Abby S Scarlet Y	Consistently making excellent choices and practising self-control.
Year 4	Emily D Noah P	Being organised and diligent in her approach to classroom tasks. His dedication and application to his research task.
Year 5	Alexandra T	Consistently demonstrating the ability to make mature and independent choices when completing learning tasks.
Year 6	Lizzie R Ella M	Demonstrating a sound understanding of the cultural diversity across Asia.

ICT – Acceptable use agreement for Internet and Digital Technologies

Please take the time to revisit the points outlined below which have been taken from the agreement sent home in Term 1 with every student at St Paul's. We believe it is important to remind the students of what is acceptable use of technology.

I will not use ICT equipment, devices or network to be mean, rude, offensive, or to harass any member of the school community while at school or home (this includes iMessage).

I will not share personal information about myself or others when using ICT – this includes photos.

I will follow the eSmart guidelines, and will not join in if others are being irresponsible. If I become aware of others being irresponsible I will tell the teacher/adult straight away.

Hayley Baker
Head of Teaching and Learning

INSIDE STORY: YEAR 2

Year 2 have begun an exciting journey into exploring their capabilities in Digital Technologies. They are discovering how to program and control Blue Bots and Spheros to move around a variety of maps both 3Dimensional and 2Dimensional in nature.

They are also currently finding out if seeds can grow in a plastic bag and if so, why?

There have been some experiment woes with some seeds growing and some not growing so a change of seeds has been employed.

PHYSICAL EDUCATION

Last Saturday 18th May, 3 keen St Paul's runners took up the challenge and competed at the annual All Schools Cross Country Championships, Bald Hills. Well done Kaleb Van Lonkhuyzen, Sofia Hinz and Kaleb Giles for your efforts and representing St Paul's Lutheran Primary School !!

St Paul's wishes Abbey Thompson all the best in her preparations and training for her attendance in the upcoming Junior State Cup Touch Tournament held in Hervey Bay, mid-July. Thinking of you Abbey!!

SENIOR INTER-HOUSE ATHLETICS CARNIVAL THIS THURSDAY 30TH (ST PAUL'S OVAL) & FRIDAY 31ST MAY (APEX PARK). See you there!
