Dear Parents and Caregivers

We have made some changes to our regular fundraising activities this year, so instead of our usual Chocolate drive in Term 1, we are excited to launch into 2020 with a fundraiser by **"Pictureproducts"**. Turn your child's treasured artwork and memories into durable, high-quality melamine Pictureplates that will last a lifetime!

Both decorative and useful, Pictureplates are simply beautiful. Children love eating off their very own Pictureplates, and as the years go by and they grow up and have their own families, their Pictureplates will bring back memories of those happy childhood years.

For a functional keepsake, a melamine Pictureclock or MDF Small Clock can be mounted on the wall to keep your child's precious artworks permanently on display.

We are also offering a range of other products decorated with your child's artwork, such as plastic or ceramic mugs, water bottles and calendars.

Your child can use photos, markers, hand and footprints and paints to create their artworks, and you can order as many copies of your products as you'd like, so it's a fantastic gift idea for grandparents and family members. You can also include drawings from younger siblings or students from other schools – just add them to your order and they will go to your child's class.

### **How to get involved**

1. We'd love for you to join in this exciting and creative activity. Just choose which products you'd like to order, and how many of each product you would like.
2. Collect the templates you need from the School Office or download and print the template on plain white paper from <https://www.pictureproducts.com.au/drawing/>
3. Now the fun part – Create artwork with pens, paint, photos (the brighter the better!).

**Create artwork with felt pens, paint, craft dyes or photos. Bright clear colours work best.** Pencils, crayons, highlighters and glitter should NOT be used as they are not bright enough.

### **Schedule**
