## New Life to Come!

In a mother's womb were two babies. One asked the other: "Do you believe in life after delivery?"

The other replied, "Why, of course. There has to be something after delivery. Maybe we are here to prepare ourselves for what we will be later."

"Nonsense," said the first. "There is no life after delivery. What kind of life would that be?"

The second said, "I don't know, but there will be more light than here. Maybe we will walk with our legs and eat from our mouths. Maybe we will have other senses that we can't understand now."

The first replied, "That is absurd ..."

Check out this Bible verse: "Anyone who belongs to Christ is a new person. The past is forgotten, and everything is new." (St. Paul ...2 Corinthians 5:17).

Because of Christ's Life amongst us, we always have

the promise of New Life to come. New starts. New possibilities. New relationships. New potential.

One of the fantastic features of belonging to a community such as ours is that there is always something new waiting for us.

The Drama above will feature in our brand new Sunday Service @ 5pm. Come along and see where it takes us. "New Life to Come" is our theme for a Brand new Sunday service at St. Paul's, beginning this coming Sunday 17<sup>th</sup> October. (See the ad in this Newsletter). You're welcome to come along to FOOD FAITH FUN (where Faith is at the Centre), Sunday at 5pm.

**Prayer: Dear Father, please look after each of this week.**

**Thanks for you promise to always lead us to new discoveries and experiences this week. Take care of the Year 4 on camp.**

**Help us enjoy the Good gifts of Life you provide us with.**

**Amen.**

Pastor Mike

## ACTING PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

We would once again like to put out a survey to our school community to review how we are tracking. This will go to staff, parents, and some students. Please keep a look out at the start of Week 4 for the link to be sent to you. This valuable information then helps us with future planning.

As we start to come to the end of the year, we start to put plans in place for next year. One of these areas is teacher and class placements. We are working on the teacher placements but would like to offer you as parents the opportunity to provide further information about your child to help guide us in the decision. This will be sent out to you shortly.

Today our students are enjoying a Japanese Drumming Incursion. It is such a great opportunity for our students to experience Japanese culture in this way.

Our Year 4 students head off tomorrow on camp. We wish them a fabulous, safe time.

Can I please remind you of the open-door policy at St Paul's. Please remember to come and talk to the relevant person about your concerns.

Have a great week.

Lois Kube

Acting Principal

## Wattle Seeds From Space

Last year, our Year 4 students applied on behalf of our school to receive wattle seeds from space. The wattle seeds have been in the International Space Station, floating around Earth and they are now back at our school. Last week, I presented the Year 5 students with 6 wattle seeds from space and 6 wattle seeds from Earth. Year 5 have very generously taken on the responsibility of potting the seeds and looking after them as they grow into seedlings. We are very proud to be chosen as a *Seeds From Space* school and we look forward to watching them grow.
