"Trust in You" – How about Go and Listen to this song! It speaks to us in Term 4.
(A great little song by Lauren Daigle ... it has emerged during Covid ... so Good!)

Letting go of every single dream
I lay each one down at Your feet
Every moment of my wandering
Never changes what You see
I've tried to win this war, I confess
My hands are weary, I need Your rest
Mighty warrior, King of the fight
No matter what I face, You're by my side
When You don't move the mountains
I'm needing You to move
When You don't part the waters
I wish I could walk through
When You don't give the answers
As I cry out to You
I will trust in You
Truth is, You know what tomorrow brings
There's not a day ahead You have not seen
So in all things be my life and breath
I want what You want, Lord, and nothing less

You are my strength and comfort
You are my steady hand
You are my firm foundation
The rock on which I stand
Your ways are always higher
Your plans are always good
There's not a place where I'll go
You've not already stood
When You don't move the mountains
I'm needing You to move
When You don't part the waters
I wish I could walk through
When You don't give the answers
As I cry out to You
I will trust, I will trust
I will trust in You

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

Last week Tuesday I had the opportunity to finally again meet with the current P&F Group since last meeting in February in Term 1. It felt as if a sense of normality had begun to return to school life again by having a number of parents, under the guidance of physical distancing, involved and being part of school life again. Thank you to this group of dedicated parents for taking the bold step to "break the ice" by coming in to reflect on parts of the 2020 school year, but very importantly set the P&F agenda and direction for 2021.

As we look at receiving more parents and caregivers on campus for our end-of year events, planning is in place and been fine-tuned to receive our 2021 Prep students and their parents to our school next week on Tuesday for their Orientation Morning. A warm welcome is extended to this cohort of students and families!

Welcome back to the Year 4 and 6 students from their respective camps. From all accounts the two groups had a wonderful time away growing in confidence, independence and resilience. Thank you to the those Year 4 and 6 staff members who worked tirelessly behind the scenes to find, organize and fit in a camp experience for our students. A number of staff members also stepped away from their everyday work and family commitments, to ensure that St Paul's met the necessary Covid-19 regulations and expectations, in order for our camp program to go ahead this year – thank you to all concerned.

Thank you to those parents who have already completed and returned the parent section of our Annual Survey. Please remember that your valued feedback is due by this coming Friday.

Many blessings to every family for a great Week 3.

Yours in Christ.

Principal

World Teachers' Day – Friday October 30

Every day, our teachers are making a positive difference - creating opportunities for their students, empowering minds of young people and proudly teaching our future leaders, innovators and influencers.

World Teachers' Day is a wonderful opportunity to celebrate and thank our teachers for the important role they play.

Who can you tell?

This time of year is a good time to tell others about our school and encourage them to join our community. The recommendation that parents give is the best advertising our school can have and the school is really the people in it. People are what make a community and that's all of us. Together we make the school an outstanding place for our children! Please share this link: <https://stpaulslps.qld.edu.au/book-a-tour/>

INSIDE STORY: YEAR 6

On Wednesday 14 October, the Year 6 students, accompanied by Mr. Riley, Mrs. Cottrell, Mrs. Schneider, Chappy Teneille, Mrs. Mali, Mr. Bloxham and Mark, our wonderful bus driver and guide, departed for a three-day, two-night tour of Hervey Bay!

Although this was a change from the style of camps Year 6 has been on in previous years, it was the perfect experience and location to enjoy after all the hurdles 2020 has brought.

It really was a stress-free, rewarding

experience for every student! The camp we stayed at, Camp Pialba, provided delicious food and activities such as basketball, volleyball, pool, table tennis, air hockey, and even a movie night with fresh butter popcorn! We got to travel back in time with visits to the extensive, interesting Hervey Bay Historical Village and the Mary Valley Rattler steam train. We enjoyed a spectacular morning on board The Spirit of Hervey Bay, where we were lucky enough to sight a mother humpback whale with her week old calf. Fun was had in spades at ten-pin bowling, enjoying a morning stroll along the Urangan Pier, souvenir-buying, and cooling off at the Wetside Water Park, Hervey Bay.

As the Year 6 cohort for 2020 nears the end of our primary school journey, every student treasured this opportunity to enjoy some time out of the classroom with our friends before preparing to head to different high schools in 2021. We have no doubt that the memories we made on this tour will stay with us for years to come!

We are a group of St Paul's Walkin' Talkin' mums who walk almost daily after school drop off to keep fit and encourage each other.

We are putting our walking to good use and are raising money for Camp Quality and would love your support!

We have committed to each walking 100kms during October and have a fundraising goal of \$1,000. However, we want to support even more kids with cancer and for every \$10 raised over the \$1,000 we will each walk an extra kilometre!

Please click the link to support us and give us a wave if you see us walking!
