Real friends

Real friends can't be bought with anything,

Nor will they leave you when you lose everything.

They may not share all of your convictions,

But they will respect you for those you hold dear.

Your real friends are those who are honest enough to speak the truth to you,

Even when it hurts both you and them.

They will come and look for you when you are sad, in trouble, or in some need.

Those who stay with you when you are beginning to drift

And are looking for an anchor, are indeed your friends.

Like precious stones, such friends are rare.

They are a gift from heaven.

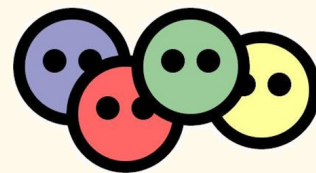

Value them, hold onto them,

And they may be with you for a lifetime.

(Ulf Metzner, LIKE THE FLIGHT OF A BOOMERANG, p.18)

***"Here is my command. Love each other, just as I have loved you. No one has greater love than the one who gives his life for his friends. ¹You are my friends if you do what I command."* – Jesus (John 15:12)**

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

Congratulations to the Prep – Year 3 students who have participated with so much enthusiasm, energy and excitement as the school has hosted both Cross-country and/or Athletics events for them over the past week. The rest of the year levels will have their opportunity to compete in these events over the coming fortnight as we endeavor to give our students a chance to be involved in school events which were impacted by Covid-19 in Term 2. The Year 3-6 students will compete in their respective age groups which is the requirement for them at inter-school competitions. A huge thank you has to be extended to Mrs. Jess Schneider who has worked and planned tirelessly behind the scenes for these inter-house competitions to be available to the student body. Thank you too to our Year 6 House Captains for their role and help in these events.

As we continue to offer as many Covid safe activities to the students, both our Year 3 and 5 students will be away on their respective school camps this week. The Year 5 students will be away at Noosa North Shore for the week, while the Year 3 students will be participating in their first school camp at Old Petrie Town on Thursday and Friday. Thank you to those staff members who will be giving of their time this week, away from family and work commitments, to ensure that these rich growing experiences are available to our students. I am looking forward to being part of the Year 3 camp for part of Thursday and all of Friday. We look forward to sharing the many memories, which will be made at these two camps, with you during the next week – watch this space!

As we continue to plan and prepare for this year's Book Week and Book Fair, we are in putting in place communication and guidelines to ensure that you are closely involved in this event with us. Information to explain the process of ordering books so that the parents and students know what to expect, will be sent out at the end of the week. Thank you to the GLAD Centre [library] staff, Mrs. Danielle Morris and Mrs. Robyn Mac, as well as Mrs. Emma Bird for overseeing these arrangements. Unfortunately, our Grandparents' Day, which is annually one of the biggest community events on the school calendar and usually coincides with Book Week and the Book Fair, will not go ahead due to Covid-19 government regulations.

It's always so affirming to hear that our students present so well and then also represent St Paul's so well when they are out and about. Well done to both the Year 4 and Year 6 students on their outstanding behaviour and engagement at their excursions to St Helena Island and Parliament House/Jewish Synagogue respectively last week. Thank you again to the staff concerned in making these events and experiences available to the students under trying circumstances.

Wishing every family, a safe and healthy week.

Yours in Christ,

Anton Prinsloo
Principal

FROM THE ACTING DEPUTY

Pick Up Zone Safety

Children must enter from the left hand passenger doors. If this is not doable, please reverse park and walk across to pick up your child. Students need to bring their bags into the car with them, not place them in the carboot. If your child needs to put a bag into the boot, please reverse park and walk across to pick up your child. In order to keep parents and students safe, we will continue to enforce these rules.

Intersection Roadworks Smiths / Del Rosso Roads Caboolture.

Moreton Bay Regional Council will be carrying out construction works beginning at the start of August. These works will be to extend the left turn lane from Smiths Road into Del Rosso Road. The north and south lanes of Smiths road will remain open however, there will be some traffic control measures in place during this time. The objective of this project is to provide additional capacity at the intersection to reduce congestion. Please use extra caution when entering our school during this time.

INSIDE STORY: Junior Japanese

In Term 3, Japanese the Prep students have been learning about makiba (farm). This week students enjoyed creating a hitsuji ひつじ (sheep) craft and practiced writing in hiragana script.

Year 1 students are learning tenki てんき (weather) vocabulary. Our focus for this week was on the word ‘kumori’ which means cloudy. We also learnt how to ask the question, “*tenki wa dou desu ka*”, which means, “*How is the weather?*” Students enjoyed making a ‘kumori’ craft to help remind them of their new vocabulary.

Year 2 students are learning katachi かたち (shape) and iro いろ (colour) vocabulary. This week students created katachi out of playdough, labelled them and made a Piccollage display.

Year 3 students are studying a tabemono たべもの (food) unit, with a specific focus on obentou boxes. Over the last few weeks we have been learning food vocabulary, meal etiquette, practiced how to use chopsticks, how to say thank you for the food and how to say I eat (food o tabemasu) and I drink (drink o nomimasu).

So much fun!!
