Dear Resident/s

**Notification of Stage 2 Works
Caboolture - Smiths/Del Rosso Roads - Intersection Change**

You may be aware that Moreton Bay Regional Council recently carried out Stage 1 of the road works at Smiths/Del Rosso Roads, to provide additional capacity at the intersection to reduce congestion and delays for the safety of all road users.

Stage 2 of the construction project is scheduled to commence in the week starting 23 November 2020 and is expected to be completed in two weeks, weather permitting. The works have been staged in this way to allow time for service relocations and minimise traffic restrictions on site. Variable Message Signs (VMS) will be installed to provide further updates regarding traffic impacts. The most disruptive construction activities will be undertaken outside of school traffic peak times.

The works will include:

- Unitywater Service Relocation
- Storm water drainage upgrade
- Backfill and reinstatement

Hours of work will generally be between the hours of 6.30am to 6.30pm, Monday to Saturday; where possible residents will be notified in advance of any changes.

Pedestrian access and traffic flow may be affected. When works commence, Council asks that you observe the instructions of work crews and safety signage; and apologises for any inconvenience that you may encounter.

Should you require any further information, please do not hesitate to contact Council's Project Manager, **Darren Mansfield** on telephone 07 3205 0555 or at www.moretonbay.qld.gov.au

Yours sincerely,

Lee Purchase
Manager
Project Management

cc: Divisional Councillor
