Re: Prep Vision Screening

Dear Parents and Caregivers of Prep Students

The Queensland Government is offering Free Vision Screening to all children enrolled in Prep in Queensland.

This Free Vision Screening is being conducted at St Pauls's by a Queensland Health Primary School Nurse on Friday 19 February 2021 (Week 4).

If you would like to have your child participate in this program, please see the attached document for the consent form link.

The link will close on Wednesday 10 February 2021, however if you click on the link after the 10 February, there is still an opportunity for you to download and print a paper copy of the consent form which will then need to be returned to the School Office by no later than Monday 15 February 2021.

- Please note that only one parent/guardian is required to fill in the consent form.
- One consent form per child.

Thank you for your assistance.

Yours in Christ,

Anton Prinsloo
Principal
