Mother's Day

Jesus said, "Greater love has no one than this, that he lay down his life for his friends." (John 15:13).

These words were the focal point of last week's Anzac Day Chapel. Jesus is the ultimate role model of such self sacrificing love. It led him to put his life on the line, concerned only for the welfare of others and providing for the needs of others ahead of his own. His love for us ultimately cost him his life. When I place the example of Christ alongside the example of an ANZAC such as John Simpson, the hero who used his donkey as an ambulance for wounded soldiers at Gallipoli, I find that both help me appreciate in a deeper way the sacrifice of the other. For 24 days, Simpson risked his own life 10-15 times a day, trudging up Shrapnel Gully in the face of almost constant enemy fire, in order to bring back that number of seriously wounded soldiers, who, without his efforts, would no doubt have died. And on the 24th day, he lost his own life, while he was engaged in his normal routine of saving others.

**Prayer: Jesus, our observance of Anzac day helped us appreciate the meaning your self sacrifice. Teach us, through your words and actions to learn the way of peace. May your peace be a real force in our world where people are so easily lead to fight each other. Teach us also to appreciate that such self sacrifice gives us the freedom and privileges we have so much of here in Australia. Amen.**

## PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

After Easter and Christmas, ANZAC Day would be my next favourite celebration. At this time each year it's affirming to acknowledge and to be reminded about the sacrifices made by our country's servicemen and servicewomen which have enabled us to enjoy the enviable quality of life we enjoy in Australia. I once read that a country's character is determined by the way it commemorates and values its war heroes. Thank you to those parents and visitors who attended our ANZAC Day service last Friday. The students must be commended on their very respectful behaviour at Friday's service. Thank you to those staff who ably supported Mrs. Lois Kube as she organised and hosted a wonderful ANZAC Day service – *Lest We Forget!*

It was wonderful to host so many families at last week's Students/Parents and Teacher Conversations after not having this opportunity last year. Thank you for your willingness to be open to transparent conversations as together we work towards providing each student with a learning focus, goals and outcomes to set them on journey of learning success. Thank you to the Teaching Staff for the time put into making the Conversations a huge success and the Admin staff for the work done behind the scenes in this rescheduled event.

Congratulations to our Senior School Cross-country Team on doing the school very proud at last Friday's District Carnival. St Paul's has again walked away as victors in the C-Schools' Division – well done to the whole team! Congratulations to Aiden M [1<sup>st</sup> Boys 10 years], Judah B [4<sup>th</sup> Boys 10 years] and Isabelle M [2<sup>nd</sup> Girls 11 years] on their great running achievements and subsequent selection to compete at the Regional Cross-country Championships at the start of June. Thank you to Mrs. Jess Schneider for the work done in organising this year's cross-country season and keeping the students motivated in what has been somewhat of a stop-start season.

Good luck and wishing our Choir and Instrumental Music students a great evening as they host their parents, family members and other visitors at our Showcase tonight at 6pm. Thank you to Ms. Carol Ellwood and the Grace Academy Staff for the work done behind the scenes to plan for and host tonight's event.

I will be away from St Paul's on leave in Weeks 3 and 4.

Wishing everyone a safe and healthy week.

Yours in Christ.

Principal

## FROM THE DEPUTY

### ANZAC Service

I would also like to thank families for participating in our ANZAC Service last Friday but an extra special thank you to Mr Bloxham for his extraordinary playing of the Last Post.

### Music Showcase

We are looking forward to seeing you this evening at our Music Showcase. A very special thank you to Ms Carol Ellwood for her time and effort in preparing this evening and giving our Music Students this wonderful opportunity.

### Dan Warlow at Chapel

Dan Warlow is an Australian Christian Kids' Music artist and entertainer who will be with us on Wednesday 5 May at Chapel. Parents are invited to join us for this. <https://danwarlow.com/pages/meet-dan>

### Medication

Please remember that all medication MUST be delivered to the school office by an adult. It is NOT OK to send it to school with a student.

### Mothers and Daughters' Event – Thursday 6 May

Invitations have been sent out.

Please remember to **RSVP by Friday 30 April**.

Numbers are limited so secure your ticket now.

## FROM THE HEAD OF TEACHING AND LEARNING

### Reading Initiative

This Term, St Paul's students will be offered the opportunity to engage in a range of activities each term in relation to a specific theme. The theme for Term 2 is 'READ - THINK'. Mrs Morris and I have been busy creating the program and initiative and Mrs Morris will release details at the beginning of the term. Students who complete the set of challenges will be eligible for a special St Paul's wrist band with the theme words printed on it. This wrist band can be worn during all of 2021 as part of the everyday school uniform. We hope to encourage a love of reading and exploring texts in our Library through the initiative.

# INSIDE STORY: RISE

This term the Years 4-6 RISE students are undertaking an entrepreneurial project based on the show and concept Shark Tank. Students are working in teams to develop a product with an environmental, educational or health and fitness perspective.

The steps within the project can be seen here:

As students progress with their project and complete tasks such as making their prototype and developing their advertisement, they are using their skills to show different roles within the project.

Your project must have an educational or environmental or health focus.

## The Shark Tank Challenge

- Brainstorm a Product to Fulfill a Need
- Create a Prototype of the Product
- Create a Print Advertisement for the Product
- Refine the Prototype and make it Look Great
- Create a Storyboard and Plan for a Commercial

## Collaborative Team Members

You may share these jobs in any way you like. They do not have to be exclusive to one team member.

**Art and Quality Control:** Advises, films, and directs commercial. Creates print advertisement. Makes sure products meet rubric minimums. Adds art work and design elements to prototype.

**Promotions:** Plans and delivers the product pitch in the shark tank. Determines advertisement content—both print advertisements and commercials. Develops commercial story board.

**Product Development:** Creates prototype of product. Creates and secures props and scenery for the commercial.

Next week we descend on the Makerspace to start our models or prototypes. Students will be making their first pitch to another class within the school and depending on how successful this pitch is their advertising budget will be determined.

Year 4s finished planning today and Year 5 and 6 will finalise the first phase this week.

There are some seriously good ideas being developed and many of them could legitimately compete on the real Shark Tank Show. Watch this space for patents pending.

RISE Teacher

## ST PAUL'S PARENTS & FRIENDS GROUP

### Mother's Day Stall 2021

St Paul's P&F Committee will be hosting a Mother's Day stall on Thursday 6<sup>th</sup> May 2021.

The stall will be held during school hours with gifts ranging from \$1 - \$10. Students will attend the stall with their class group throughout the day to make their special selections.

Could any money please be sent to school on the day in a **named envelope** and a **named bag** to transport gifts safely home.

As this is a large day to co-ordinate, we are looking for volunteers to help throughout the day. If you are free to spend just an hour of your time, please complete the electronic volunteer form that and **return it to the School Office by Friday 30<sup>th</sup> April** or alternatively you can comment on the post asking for volunteers in the P & F Facebook group.

## PHYSICAL EDUCATION

We had some fantastic weather and lots of FUN was had at the District Cross Country last Friday. Well done to all 28 St Paul's runners who competed with determination and an optimistic attitude!

Averaging 100 students in each race, special congratulations to Isabelle M (2nd- 12yr Girls), Aiden M (1st - 10yr Boys) & Judah B (4th-12yr Boys), qualifying for the Regional event on Tuesday, 1st June.

St Paul's placed 1st Overall for the C School's Division. Thank you to Mrs. Hare and our school families for attending to show their support. A special presentation will be held at Senior assembly this Friday 30th April.
