### **Build on Solid Rock.**

A wise person builds on solid Rock. It is foolish to build on shifting sand. Jesus gives us this picture to guide us in our building of our community and the life we live (Matthew 7:24). Ultimately, Jesus himself is the rock solid foundation for life.

Paul writes : "You are also God's building. Using the gift that God gave me, I did the work of an expert builder and laid the foundation, and someone else is building on it. But each of you must be careful how you build. "For God has already placed Jesus Christ as the one and only foundation, and no other foundation can be laid" (1 Corinthians 3:10-11.)

***Our Prep students are going to work on this Word of Wisdom, preparing for their School Sunday 20<sup>th</sup> June, 9am. They will challenge us to dig deeper.***

***A further reason to come along is that alongside the contribution of Prep students, our congregation will celebrate the service of our Principal, Mr Anton Prinsloo. You are welcome to come along.***

Prayer: Jesus, you are our Rock. Thanks for being so rock solid for us, even being willing to give your life for us in a world that continues to fall apart because so many are prepared to build on very shaky foundations.

Pastor Mike.

## ACTING PRINCIPAL'S MESSAGE

Dear Parents and Caregivers

What a busy week we have this week. Yesterday the weather was perfect for our Junior Sports Day. The children enjoyed the day. A very special thank you to Mrs Schneider for her organisation of such a smooth running event.

### **Fidget Toys**

With the craze at the moment for fidget toys, we are seeing many coming to school. As per our school rule that no toys are brought to school unless arranged with the teachers for Topic Talks or the like, we ask all parents to please check what is coming to school with your child. For some children, this equipment is a tool and comes with recommendations from either a specialist or Learning Support – these children are allowed to have them at school. Thank you for your co-operation in this matter.

### **Pupil Free Day**

Please remember that this Friday June 25 is a Pupil Free day. The teachers will be busy proofing reports.

### **Free Dress Day**

Thursday June 24 is Free Dress Day in support of our Service Project for Term 2 – Housing for Domestic Violence victims.

Students can wear free dress and donate a gold coin. **A Free Dress Day Guidelines** document has been attached. Your support of this will be greatly appreciated. **Please note that one of the guidelines is School hats MUST be worn.**

### Lost Property

Please check the Lost Property Box for any items that may have been misplaced. It is important that ALL belongings are clearly named. This means that if any item does go missing it can be returned to the right owner. **Any items left in the Lost Property Box at the end of term will be disposed of.**

### Importance of Breakfast

It's important for your child to eat something nutritious each morning to re-fuel for the busy day ahead. We know that the day unfolds better for those students who eat breakfast. Please ensure that your child has breakfast and is ready to face the day at school every day.

### School Officer Day

School Officer Day on Wednesday, 9 June 2021 is our opportunity to celebrate the vital role support staff play in education.

Acting Principal

## FROM THE HEAD OF TEACHING AN LEARNING

### Mr Huff Incursion

On Monday 14th June, we will host Meerkat Productions and their show *Mr Huff*. Students in Years 4-6 will see the show at 8:40am and students in Prep-3 will see the show at 9:45am.

### Synopsis:

Bill is having a bad day.

Mr Huff is following him around and making everything seem difficult.

It starts with feelings of grumpiness, not wanting to join in and upsetting his friends. Mr Huff just gets bigger and bigger and the feelings become debilitating, rendering Bill unable to complete his schoolwork and being disruptive in class.

Unable to understand these feelings Bill continues to try to get rid of him, but Mr Huff just keeps getting bigger and bigger until he's bigger than Bill! Then they both stop, and a surprising thing happens...

Key Themes: Resilience, Anxiety in children, Emotional Intelligence, dealing with a bad day.

Curriculum Areas: Personal & Social Capability; Health & Physical Education; Critical & Creative Thinking; English; Arts

To celebrate the amazing legacy of Mr Prinsloo, we have planned a couple of things to celebrate the time and energy he has poured into staff, students and families at St Paul's.

### Monday 14th June - Walk of Honour

You are invited to attend a Walk of Honour for Mr Prinsloo at 2:00 pm on Monday 14th June. We encourage you to then stay on for Picnic with the Principal at 3:30 pm (organised by our wonderful P & F).

### Wednesday 23rd June - Crazy Sock Day

How many pairs of crazy socks does Mr Prinsloo own? We can't even estimate, because there are too many pairs to count! Come dressed in normal school uniform with a twist...**CRAZY SOCKS** to honour Mr Prinsloo.

## INSIDE STORY: Year 4 Christian Studies

This Semester in Christian Studies, Year 4 has been looking at the Christian Belief that people are created to live in community, and we all play an important and responsible role in being co-creators and co-carers with God.

Communities are places where people grow and learn to live with one another, interdependently. We also investigated how God gave ten commandments to protect and build community and to teach people how to live together and we looked at the difference between rules and laws.

Students then worked in groups to come up with some rules for Year 4 that will help us work together at school in peace and safety. The rules were displayed on posters for us to share. We also based our School Sunday service around the theme of "how-to live-in community".
