

23 July 2021

Dear Parents/Caregivers

Please note, updated COVID-19 restrictions for various South East Queensland Local Government Areas were announced yesterday. This includes the **further extension and strengthening of mask-wearing** in the 11 South East Queensland local government areas, including the Moreton Bay region, for one more week **until 6am on Friday 30 July**. Please see attached Queensland's updated roadmap for easing restrictions, which includes everything you need to know about the changes commencing today, Friday 23 July.

In line with this, **SPLPS parents/guardians are required to continue wearing masks for drop-off and pick-up until Thursday 29 July inclusive**, should you be getting out of the car. This also applies to any guests visiting our school campus for other reasons.

Due to the ability to appropriately socially distance while seated, families attending Assembly or Chapel may remove masks once socially distanced and seated. However, should you prefer not to remove your mask, you are welcome to leave it on.

As a reminder, a complete list of exposure sites identified by Queensland Health and advice on what to do if you have been to a venue is available at:

<https://www.health.qld.gov.au/tracing>

We encourage all families to be aware of the listed locations and please advise Administration if they are impacted.

Thank you for your cooperation in these matters.

Lois Kube
Acting Principal
