John 12:26 Whoever serves me must follow me; and where I am, my servant also will be. My Father will honour the one who serves me."

Reflection: Jesus is speaking in front of a group of non-Jewish seekers, who have come to see Him in Jerusalem. The main message He is giving deals with the need for a person to "die" to themselves in order to "live" in eternal life. This is not a question of earning one's salvation—rather, it's a measure of a person's sincerity. Those who earnestly want to submit to God will put Him at the very top of their priorities. They won't "love" things as much as they "love" God and His will.

We can't out serve, out love, or out give Jesus. He longs to bless us. He longs to pour out heaven's riches and grace upon us. Even more incredibly, he longs to honor us. When our lives are over, God the Father, LORD of the entire universe, will honor all who have served his Son and blessed others in Jesus' name! Unbelievable? No, just another example of God's incredible grace!

Every day we have the opportunity to be servants for Jesus Christ. Our homes, work areas, schools, and places of leisure allow us to minister for our Savior.

When others look at our lives do they see the reflection of Jesus? Do they see something different in us as opposed to those who do not name the name of Christ?

We must be obedient followers of Jesus and His word to serve Him well.

Will we be those servants today?

Loving Father and Holy God, please help me follow the will of Jesus and serve others in his name. Father, I know that I cannot earn your grace, but I want to serve others in Jesus' name and help them find your grace. In the name of the Lord Jesus I pray. Amen.

ACTING PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

Welcome to Term 3.

I trust that you have all stayed safe and enjoyed the term break. It is lovely to have you back, the school campus always feels very different during the breaks without our families.

Over the term break the previous OSHC building has successfully been removed and relocated to a new home at Redeemer College at Rochdale. GDL Landscapes have been busy creating a sensory garden in its place. We are hoping that this will be completed by the end of this week.

A very big thank you to our Grounds Staff Mr Ian McKellar and Mrs Karen Dickens for all the work they did for this project as well as other projects over the break.

We welcome Mr Daniel Campbell as one of our Year 6 teachers. Daniel replaces Matt Nicholls who has joined the Exec Team for the remainder of the year as I fill the role of Acting Principal.

Tomorrow morning there will be an announcement from our School Council Chairperson Mr Tim Powell regarding our new Principal.

We look forward to sharing many and varied activities with you as families this term.

Lois Kube

Acting Principal

FROM THE ACTING DEPUTY PRINCIPAL

Welcome to Term 3

Welcome back and welcome to Term 3. I am looking forward to seeing you all around as I begin my time as Acting Deputy Principal. Let's start with some key events and dates, kicking off with Semester One reports, which will be available on parent lounge from Wednesday 14 July.

It is going to be a busy, but fun filled term with many activities happening. We have the Year 6 Excursion to Parliament House on Thursday 15 July followed by a visit from Mark Ryan MP to the classroom on Friday. Lots of luck and best wishes to our Year 5 boys (soccer) team who as overall winners of the recent gala day events, have qualified to compete in the South East Queensland championships on Monday 19 July. Years 3,5 and 6 have camps later in the term followed by a welcome return of Expo night. A night of sharing students learning which we all missed last year due to all the restrictions. Keep an eye on class messages closer to the event in Week 6.

It's so great to have families back for school events and we look forward to Grandparents Day in Week 7. Week 8 is going to be busy one with the Fathers and Sons' event to celebrate Father's Day, Book Week and our dress up parade and the return of the GSP Soccer Christian Schools Cup Tournament. The massive week wraps up with the much anticipated St. Paul's Spring Fair on Saturday 4 September. Then we will all catch our breath!!

Council Parking Laws

Moreton Bay Regional Council (MBRC) Local Laws Unit undertakes a School Parking Patrol Program where officers complete scheduled school patrols, both in the morning and afternoon to ensure that vehicles are parked in a safe and lawful manner. The primary aim of the program is to ensure that students and family members/caregivers are able to safely move around the school area as part of dropping off or picking up students from the school.

The Moreton Bay Regional Council Local Law No. 5 (Parking) 2011 and Transport Operations (Road Use Management) Act 1999 control parking or stopping of vehicles on footpaths, bicycle paths, marked yellow lines, shared paths, dividing strips and nature strips, along with vehicles parking across residents driveways and within "No Stopping", and 'Bus Zones' and Pick-up / Drop-off zones. Council is legally required to enforce these areas and the School Parking Patrol Program forms part of this process. Drivers are reminded that footpaths and nature strips are in place to promote pedestrian movement in a safe manner along roadsides and that drivers and residents must not stop on a bicycle path, shared path, dividing strip or nature strip. Please also note that vehicles that are parked with two wheels up and two wheels down is not considered as a lawful parking practice.

Local laws Officers conduct enforcement through the issuance of Penalty Infringement Notices as part of each School Parking Patrol. Please be aware that Council Officers may take photographic evidence of vehicles stopping or parking illegally with Penalty Infringement Notices to be issued via mail at a later date to the offending vehicle's owner.

Visit www.moretonbay.qld.gov.au/parking for further guidance on parking restrictions.

For any further information, members of the School Community are welcome to contact Moreton Bay Regional Council on 3205 0555.

Mr Nicholls Quiz Corner

Now you may be aware that this week there was a big football game and yet again, England lost on penalties, so Mr Nicholls needs cheering up. But lets look back and reflect that once upon a time, England did in fact win something. The year was 1966. Yes, still our only international football tournament win. For a prize, I'm looking for the 1st person to tell me who scored a hat trick for England in that game. (So far, still the only person in history to do so in a World Cup Final). Answers on a piece of paper and handed in to the front office with your name. Remember, only the 1st person handed in with the correct answer wins the prize.

Reading Challenge

This term, our reading challenge theme is READ - EXPLORE. Keep an eye out for this challenge on See Saw as the challenges link in with the Book Week competition in Term 3.

Family Book Club

This term, we will begin a Family Book Club. The book for the term is in line with the READ - EXPLORE theme. The book is Nim's Island. We will have 10 copies of Nim's Island available to borrow as a special, month-long loan for families to read together. At the end of the term, we will watch Nim's Island, after school, with sleeping bags and pillows, as a family event. Parents, please feel free to look at reviews for this book and movie and decide if you would like your family to participate.

Wattle Seeds in Space

There has been a small delay in the delivery of our wattle seeds from space due to weather for the undocking of SpaceX22 (our wattle seeds are onboard). We will keep you informed about the arrival date – the seeds will be cleared by NASA and then to JAXA and then to us.

Report Cards

Semester 1 report cards will be released onto Parent Lounge at 12:00pm tomorrow 14th of July. Prep reports, modified reports and settling in letters will be sent home in a sealed envelope.
