Stained Glass Windows @ St. Paul's

I'd like to express my gratitude (one of our school values) to the Year 2 students and teachers for their efforts to prepare for their School Sunday. Due to the recent Covid shutdown, this was cancelled. However, this will feature this week in the school's online chapel.

They focussed on the stained-glass windows of our church. They took the collage of Bible scenes and messages and wove them into a refreshing message about God's love for us.

About this stained glass window picture, they said: "Jesus Loves us all ... Accept God's love and it is easier to love one another. Jesus welcomes all his children young and old. This window talks to people who are sad or lonely reminding us that Jesus is a light in our lives that comforts us and lifts our spirits."

"As you can see many small pieces of coloured glass come together to form a beautiful picture, with a beautiful story. It is the same with our school and church. Each person, together with the others, is made into our school and our church community."

Prayer: Jesus, thanks for the way you love and care for us every day. Thankyou for the way you place each of us together into the beautiful community that we are, just like the many pieces of a stained glass window combine to make such a beautiful picture.

ACTING PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

It is truly wonderful to have our parent body being able to join us this week for all of the terrific activities that are planned for Book Week. Yesterday saw our Year 6 students reading to small groups of students in the wonderful winter sun. On Wednesday morning, you are welcome to stay and join with us for the Book Character Parade. The Book Fair will be running all week for you to visit. Special thanks to our library staff, Mrs Robyn Mac and Danielle Morris for all their effort in planning this week. Our week then concludes with Grandparents Day on Friday. Even though this takes on a different format this year, it is a great opportunity for grandparents to visit our school.

You should have received an invitation for the Father and Sons' Event on Thursday 2 September. We are planning to still go ahead with the event with some COVID restrictions. Please remember to RSVP by Monday 30 August.

Our Exec Team and School Council representatives met recently to review our Strategic Plan. Please find attached a draft copy of our 2022 – 2024 Strategic Plan. Please look at the draft Strategic Plan and provide any feedback to my office, either in writing or in person, by Friday 3 September.

Please remember not to send your child to school if they are sick. If their teachers send them to the office due to being unwell, you will receive a call to come and collect them.

Have a great week.

FROM THE ACTING DEPUTY PRINCIPAL

Grandparents Day - Friday August 27

Reminder that this years event will consist of a picnic experience on the oval. We ask that attendees to bring their own morning tea and a chair. We look forward to welcoming our grandparents back to St Pauls.

Fathers and Sons Event

Don't forget the Fathers and Sons event on Thursday 2 September. This will begin with a BYO picnic at 3.45pm, followed by several activities that participants will rotate through. We look forward to welcoming our fathers to an event again at St Pauls.

Bus Service Disruption

On Friday 3 September, there is a pupil free day for state schools. St Pauls will continue the school day as normal, however, Caboolture Bus Lines will not be operating any school run services for St Pauls students due to this being designated as a student pupil free day for the state schools.

On Chapel this week

There will be no whole school chapel this week due to Book Week activities.

Mr Nicholls Quiz corner

Last week's challenge asked:

Who am I?!

I used to be a carpenter on set and reluctantly helped out a friend doing auditions for a movie by reading some lines for his actors. They said I read them better than anyone else and cast me in the role. I played the same heroic character 4 times between 1977 and 2015. The movie was Star Wars. I also played another iconic movie adventurer 4 times between 1981 and 2008. I am supposed to be him again once more at the age of 79 if the

movie gets finished. Who am I?

Answer: Harrison Ford

There were no winning answers this week.

This weeks challenge:

Who was Australia's first ever Prime Minister?

FROM THE HEAD OF TEACHING AND LEARNING

Imaginarium

During Book Week the students will experience our themed immersion room called the Imaginarium. The theme for our Imaginarium this year is: Our World, New Worlds, Other Worlds, in line with the 2021 Book Week theme. The Imaginarium is an immersion experience that engages the senses, encourages creativity and stimulates ideas for literacy. This year the Imaginarium will be an 'other world'. To create this other world, we will be using a smoke machine (for entry into the space only) and black lighting (in a small area of the space). Please speak to your child's teacher if your child needs adjustments with these items in the room.

Robotics

Senior Robotics will commence again from this afternoon.

Family Book Club

This term, we will begin a Family Book Club. The book for the term is in line with the READ - EXPLORE theme. The book is Nim's Island. We will have 10 copies of Nim's Island available to borrow as a special, month-long loan for families to read together. At the end of the term, we will watch Nim's Island, after school, with sleeping bags and pillows, as a family event. Parents, please feel free to look at reviews for this book and movie and decide if you would like your family to participate.

INSIDE STORY: PREP

This term the Prep children have been learning about fiction stories and fairy tales. They have been busily involved in creating the characters and scenery to act out, in order to retell the story of Jack and the Beanstalk. It was then a perfect time to lead into our Book Blanket reading where the Year 6 children read a fiction story to everyone.
