SHARP PENCILS

Thanks Chappy Teneille for sharpening up our little people at Milk and Muffins this week with the following challenge:

Imagine trying to get into your day at school with pencils that are totally blunt. Why doesn't the pencil work? It has not been sharpened! Well, how can that be fixed? We can sharpen a pencil quite easily, whether we use a handheld, hand-cranked, or electric sharpener. Then we can use the pencil to

help us express the drawings and words that are inside our thinking, bursting to be released on a piece of paper.

Our lives can be sort of like these pencils. God wants to use us in all sorts of wonderful ways to serve Him and others in His family. But we first must be "sharpened" so that we are on the same page as he is. How does this happen? Well, most importantly, we can sharpen ourselves through the words of the Bible. Whenever we read or hear God speaking (reading the Bible), He is sharpening us to live each day for him.

"For the word of God is alive and active. Sharper than any double-edged sword...." (Hebrews 4:12)

And sometimes, God uses other people to help sharpen our "points": As iron sharpens iron, so one person sharpens another. -Proverbs 27:17

Prayer: "Jesus, thanks for sharpening us for each day's challenges and joys. Thanks for your Words which encourage us, and sharpen our appreciation of what you do, and what you's appreciate us doing for you. You have a good day too."

ACTING PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

I trust that all our dads and grandads enjoyed Father's Day this past weekend. This week sees our senior classes heading out for Gala Sports days. Today Years 3 and 4 and on Friday Years 5 & 6. These days provide great opportunities for our students. Yesterday all our classes enjoyed presentations with Meerkat Productions.

This week is eSmart Week, our eSmart Captains together with Mrs Lynda Witham, Mrs Ruth Byers, Miss Jenelle Cross and Ms Kat Crispe have planned various activities for this week for us with a clear message about how important it is to be cyber safe.

Please remember that students should not be arriving at school before 8.00am. Supervision only begins from 8.00am. OSHC is available for you if you need to drop students off before this time.

Have a great week.

Fathers and Sons event

Thank you to all who attended our Fathers and Sons event on Thursday. I'm sure everyone enjoyed the fun and games along with a casual picnic sharing quality time together. We welcome any feedback that helps us look forward to future events.

Music Showcase

Due to the recent restrictions and uncertainty that our lockdown caused, it influenced our music program and as such we have postponed the scheduled music showcase that was due to be on Tuesday 14 September. A new date will be announced at a later time.

Chapels and assemblies

We are back to normal routine with weekly chapels held on Wednesdays at 8.35am. You are welcome to join us.

All assemblies will now be on a Friday at 8.35am and alternate fortnightly between junior and senior school. This Friday's assembly is a junior school assembly and week 10 will be a whole school assembly.

At the end of the term, we will watch Nim's Island, after school, with sleeping bags and pillows, as a family event. Parents, please feel free to look at reviews for this book and movie and decide if you would like your family to participate.
