WELCOME

We are delighted that you have chosen St Paul's Lutheran Kindergarten as your child's Early Learning environment. We hope that your family will have a positive experience at our Service.

At St Paul's Lutheran Kindergarten, we provide your child with a safe, secure and supportive learning environment. Our program stimulates young minds to think independently and promote their own learning. It fosters creativity, challenges thought processes and supports co-operative learning. We support the needs, interests and abilities of each child and recognise them as the unique individuals that they are.

This Handbook has been designed as a guide to help you and your child settle into our Service. It contains useful information about St Paul's Lutheran Kindergarten the way it is managed, your responsibilities as a parent/guardian and what to expect during your time here.

St Paul's Lutheran Kindergarten is a 48 place, not-for-profit Service that consists of the following educational rooms:

Kindy A: 4 – 5 years Staff ratio 1:11

Kindy B: 3 – 5 years Staff ration 1:11

The Service is open from 6.30am – 6.00pm, Monday to Friday, 50 weeks per year, closing on Public Holidays and 2-3 weeks over Christmas and the New Year

Please retain this Handbook so that you can use it as a reference for general information and policies. Some policies are only summarised in this Handbook. The full details of policies are available at the Service upon request. Any comments you may wish to make regarding policies are also welcomed. Policies are developed through consultation with QLECS (Queensland Lutheran Early Childhood Services), Service staff, families and the community.

We look forward to sharing the coming year with you and your child, and the partnerships the year may bring.

NB

Where you see the term 'Reg' in the handbook, the reference is to the Education and National Laws and Regulations that govern Early Childhood and School-Aged Care Services.

Any information related to the Child Care Subsidy (CCS) can be found at the following link:

Philosophy and Mission Statement

Our Philosophy

At St Paul's Lutheran Kindergarten, we are a Christian centred community that acknowledges that children are a gift from God and should be encouraged, supported and nurtured to be successful in their own learning.

We believe:

1. Learning is fun. It is all about discovery. Our learning program scaffolds and extends children's ideas. It is flexible. A combination of spontaneous experiences, explicit teaching, and intentional teaching leads children to develop a positive attitude to a lifetime of learning.
2. Our role is to create a safe, challenging, and welcoming environment where all children are supported to build their independence through transitions and songs. Within this environment, children can grow and explore. They feel important and protected. Children and staff can learn from each other.
3. Our learning environments are fun, safe, and attractive to children. They offer a range of flexible experiences that allow for growth and learning, through spontaneous indoor and outdoor environments. They promote exploration and experimentation using a balance of natural and man-made materials as well as the children's voice.
4. Our team of professionals is consistent, experienced and caring. We acknowledge the strengths that each staff member contributes. We exchange ideas, and work together achieve our goals, through team collaboration and consultation
5. Building rapport by engaging with children is vital. Listening to their ideas and feelings ensures respect for the individual and builds meaningful, lasting relationships. We value each child's individual voice and establish equitable opportunities for learning. We are at the service of the children within our care.
6. Partnerships with families and the community strengthen learning, broaden awareness of different cultures, and promote strong values. We build this connection by providing open opportunities for consultation and feedback, using parent input in planning and by participating in honest dialogue.
7. Building a culture where the community feels connected to the service, where opportunities for consultation and feedback, through governance committees, parent teacher conversations and ministry are encouraged and explored, where the service enhances and strengthens their community connections through open honest dialogue.

EDUCATIONAL PROGRAM AND PRACTICE

Children's Learning

Our Program is based on *Being, Belonging and Becoming: The Early Years Learning Framework (EYLF)* and the *Queensland Kindergarten Learning Guideline*. We focus on children learning through play, enjoyment, freedom and friendship. We believe it is important for children to have opportunities to foster the development of self-esteem, creativity, and growth at their own individual pace.

The program provided contributes to the following learning outcomes:

- children have a strong sense of identity
- children are connected with and contribute to his or her world
- children have a strong sense of wellbeing
- children are confident and involved learners
- children are effective communicators

Play is a context for learning that:

- allows for the expression of personality and uniqueness
- enhances dispositions such as curiosity and creativity
- enables children to make connections between prior experiences and new learning
- assists children to develop relationships and concepts
- stimulates a sense of wellbeing.

St Paul's Lutheran Kindergarten collates artwork, photos and special event certificates etc. throughout the year that will be given to families at the end of care for the year. We encourage artwork to be displayed, however if the children choose to take their art home we will support this.

Daily Requirements

What to Bring in your child's labelled bag:

OLDER CHILDREN

- 2 named complete changes of clothing
- A named set of sheets top and bottom 1200mm x 800mm in a bag
- Pull up-s (if still toilet training)

All children are required to bring a SunSmart hat – Legionnaire/broad brimmed hat that protects the face, neck, ears and crown of the head. No caps are allowed.

We encourage toys to stay at home as they can become easily lost or broken.

Daily Procedures

Arrivals and Departures

Upon arrival and departure, the custodial parent or authorised nominee is responsible for following the required sign-in/out procedure. Failure to follow this correctly could result in CCS payments being affected.

This is also a safety requirement in the event of an emergency evacuation or lockdown.

If your child is to be collected from the Service by someone besides the Authorised Nominee (as noted on your enrolment form), we ask you to phone the Service beforehand, stating the person's name and their relationship to the child. Photo identification will need to be produced upon their arrival e.g., drivers' licence.

If the person picking up your child is not known by the educators, they will be asked to show photo identification before your child is released into their care. An educator may contact you to confirm the arrangement.

Parents/guardians, please ensure you notify an educator of your child's arrival and that your child is left in the care of an educator. Please also ensure that upon collection of your child, you inform an educator that your child is leaving.

Arrival is an important time to communicate any information that might be of relevance to your child's well-being during the day. Parent/guardian and staff contact is often limited in the mornings however, if you need to have longer discussions with the staff, a convenient time can be arranged for this or perhaps a phone call or email during the day can help.

Custodial Arrangements: Parents/guardians are required to notify the Service Leader about any details relating to the legal custody of the child and any parenting order, parenting plan, other legal/court appointed documents (such as a protection order or DVO). An up-to-date copy will be required to be kept at the Service.

Please note that any legal documents will be adhered to, and one parent/guardian cannot request the Service to withhold collection from another parent/guardian without the relevant legal documentation advising of any changes.

Routines

In each program you will see a predictable pattern to the day, which is designed to give your child a sense of routine and security. Integrated into the predictable events of the day, interesting and motivating experiences are planned to challenge and stimulate children in the areas of social, emotional, physical, creative, and intellectual development. We are committed to the provision of opportunities for learning and nurturing and to the development of children in ways which are informed by quality research and theory.

Spiritual Links

St Paul's Lutheran Kindergarten has links with the congregation and Pastor/Chaplain. They are available for families.

Contact information for services provided can be given through the church, school administration or from the kindergarten

RELATIONSHIPS WITH CHILDREN

Interactions with children

"The program offered will

- *Encourage children to express themselves and their opinions*
- *Allow children to undertake experiences that develop self-reliance and self-esteem*
- *Maintains at all times the dignity and rights of each child*
- *Gives each child positive guidance and encouragement toward acceptable behaviour*
- *Has regard to the family and cultural values, age, and physical and intellectual development and abilities of each child" (Reg 155)*

COLLABORATIVE PARTNERSHIPS

Communication – Partnerships

We believe that the partnership between parents/guardians and our staff is very important. For this to be effective, it is the responsibility of both parties to communicate with each other. The staff cannot always predict parent/guardian's concerns or questions, so please be proactive in approaching the Service Leader for discussions. Please arrange a set time to talk to the Service Leader if you have concerns or questions about your child. We may arrange a suitable time to talk outside of the program time so that due time and attention can be given to your concerns or questions about your child. A suitable area for private conversations will be made available when required.

Parents/guardians may enter the Service at any time their child is in attendance. Permission to enter will be withdrawn if a parent/guardian poses a risk to the safety of the children and staff or the parent/guardian has prohibited contact with the child by a court order (Reg 157).

Families will be provided with a copy of the Parent/Visitor/Adult Occupant Code of Conduct at enrolment. Failure to comply with this Code of Conduct may result in the cancellation of your Child's enrolment.

St Paul's Lutheran Kindergarten offers orientation sessions where the children and parents are invited come in and join in with the room to allow for the children to familiarise themselves with other children, the environment and with the staff within the rooms. This is also an opportunity for parents to view the room in action and discuss the needs of their children with the staff.

Contact Details

Please keep your contact details up-to-date at all times. This allows for quick communication in the event of an illness or emergency. **Please ensure that authorised nominee names and numbers are also current.**

Daily Communication

A communication pocket is provided for each family. They are labelled with your child's name and are located on the wall hallway wall next to our Foyer. Please check your communication pocket daily.

Communication regarding the day's events will be posted via our SeeSaw app or displayed in the room environments through artwork samples or creations the children have made throughout the day.

Family Information Board

Notices and information for families are placed on the notice board. We ask that you check these information boards each day.

Advisory Group/Governance

This is a group comprised of members from the families of (Service Name's School College, congregation and local community). The meetings usually occur bi-monthly and will be advertised on the notice board.

The aims of the group are to:

- Concentrate on planning and goal setting
- Explore, decide upon and co-ordinate fundraising ventures and family events
- Provide a support network

All parents/guardians are encouraged to become involved in the Advisory Group in whatever capacity you are able. Notice of meetings can be found on the information board.

Family Involvement and Connectedness

We value family input into the program. We welcome your participation and recognise the importance of this for the children. We work in partnership with families for the benefit of encouraging the full potential of their child/children. We value the individuality and uniqueness of each family and encourage the development of positive relationships. We request that everyone who enters our Service speak and act in a child friendly manner.

From time to time, Educators will ask parents/guardians to share their experiences and knowledge with the children. Some examples might be: dental hygiene, the role of a doctor, architecture and building, cooking, gardening.

If you are attending the program, please bring a sun safe hat, enclosed shoes, food and water (if required).

Family Social Events

During the course of the year, we may hold some special social events for all families.

Babysitting

Families are requested **not** to ask staff of the Service if they provide private babysitting. Staff need to maintain a professional relationship with families.

Photographs

Service photographs are taken once a year and we ask that families read the notices about these days and inform staff if you do not wish to partake in these. At St Paul's Lutheran Kindergarten, we have digital devices that are used to photograph the children. These photos become the basis of our visual diaries, which are on display in each room as well as through service Apps. We also use the photos to document your child's development throughout the year.

Media Involvement

St Paul's Lutheran Kindergarten has set out the following policy regarding media involvement:

- Permission to photograph or video is included in the Enrolment Agreement Form. This includes newspapers and advertising displays etc. If parents/guardians do not give permission, the Service will ensure that the child is not included in these activities.
- When photos go into local newspapers, first names only will be printed unless otherwise negotiated.
- Should the Service wish to print multiple copies of photos for advertising, permission will be sought from parents/guardians prior to use.

Social Media

St Paul's Lutheran Kindergarten has various social media platforms used within the Service, such as Facebook, Instagram and Seesaw. The Facebook page is a closed group and parents are reminded of their privacy and confidentiality responsibilities when they join this page.

We also ask that you do not 'friend' or accept 'friend' requests from staff members as this can cause difficulties in maintaining professional boundaries. Should you have any concerns over Social Media issues/posts/comments, please follow the Service's grievance procedure.

CHILDREN'S HEALTH AND SAFETY

Children's Clothing

Please ensure that clothes are marked with the child's name to ensure that all items of clothing are returned to the rightful owner. Please dress your child in clothing that is suitable and appropriate for active play. Suitable clothes are those that are easy for your child to manage independently, easy to move in and of no concern if stained from activities. It is a requirement that children wear t-shirts or tops with sleeves that cover the shoulders (in preference to tank-tops or singlet tops), to further ensure protection from the sun.

Nutrition

You will need to provide your child with food and drink for morning tea, lunch and afternoon tea each day.

We promote good nutrition and healthy eating habits. As such, please note the following:

- We request that you do not send lollies, cordial, juice, chips, chocolate, or foods high in sugar, preservatives, flavouring and colouring.
- For older children, please make sure your child can open all containers and packaging to promote their independence.
- It is better to provide more food rather than less food for your child.
- Please provide a drink bottle (clearly named) each day. 500ml – 750ml are a good size to ensure your child is drinking enough water. Please send your child's bottle filled to the top with water each day. A pop top style is recommended rather than a twist top.
- If we have a child enrolled at the Service with severe or anaphylactic allergies to certain foods or food products, we may ask all families to exclude these items from their child's lunch box. This ensures the health and safety of all children.

Currently we are a NUT and EGG free service.

Preferred Foods	Foods to stay at home
Fruit (Fresh/Dried) Vegetables Yoghurts Cheese, crackers Sandwiches/Wraps/Rolls Custards Healthy Baked Treats	Roll Ups LCM bars Chips Lollies Soft Drinks Chocolate Junk Food Foods containing eggs or nuts

If your child has any special dietary considerations, please make us aware of these. Parents/guardians are asked to provide a detailed list of foods that your child is not allowed to have.

We also celebrate other special events or holidays during the year with food, often multi-cultural and endeavour to make cooking experiences a regular part of our program.

Rest and Relaxation

Resting is an important part of the day. An atmosphere conducive to relaxation is provided to allow children to 'recharge' and aims to meet the individual needs of each child. We encourage you to discuss your child's needs with their individual educators.

*The service will ensure that the individual needs of the child regarding sleep and rest are met
(Reg 81)*

Behaviour Guidance

Educators will gently guide children towards acceptable, respectful and considerate behaviour to others. Within the play-based program, children learn about social skills and rules appropriate to their developmental level. Children are supported and empowered to choose the right behaviour which helps them to begin to self-regulate their own and others' behaviours.

If Educators observe inappropriate behaviours, they will analyse the reasons and/or contributing factors and implement strategies to change the behaviour. This may include having conversations with parents/guardians about the child's behaviour, any strategies being used by parents/guardians and seeking external support if required. An individual plan may be written outlining the agreed strategies, so that all educators and families are consistent in guiding a child's behaviour.

Please refer to *the Service's Behaviour Guidance Policy*

Incursions and Excursions

To complement the curriculum, from time to time we will be inviting visitors into our Service (incursion) or take the children on excursions. All incursions and excursions are carefully planned and risk assessed. Incursions or excursions may incur an additional cost, which will be added to your account. If this is eligible it will also attract some CCS.

Parents/guardians will be notified of any upcoming events and be required to complete any necessary authorisations.

Hygiene and Safety

We take great care to provide a safe and hygienic environment for the children in our care. We aim to reduce the chance of accidents and minimise cross-infection. The following procedures are implemented:

- The Service is cleaned at the end of each day and during the day if the need arises.
- Children are taught and expected to wash their hands, particularly after toileting and before meals.
- All equipment and the grounds are checked regularly and maintained in a safe condition.
- Softfall areas have been established under climbing and swing areas to absorb the impact if a child were to fall.
- In the case of a pandemic, specific guidelines will be given to families.
- Staff and families will be required to follow all Public Health directives.

Illness and Injury in Care

Educators are required to maintain their First Aid qualifications. This includes CPR, Anaphylaxis and Asthma training. The care environment is arranged, and resources selected, according to safety guidelines so that the risk of injury to both children and staff is minimised.

Minimum exclusion guidelines (as per the Illness in Care Policy) will be adhered to. A letter from your doctor may be required.

Children with contagious illnesses will not be permitted to attend and non-immunised children will be excluded (as per the Illness in Care Policy). As per your enrolment agreement, the Service must be advised of any contagious illnesses.

In the case of injury to a child whilst in care, staff will administer appropriate first aid immediately. Please refer to Incident, Injury, Trauma, and Illness Policy for more detailed information on the Service's procedures.

If first aid has been given to your child during the day, staff will complete an Incident, Injury, Trauma and Illness form which you will be required to read and sign.

Injury on Intake

Upon arrival at the Service, if your child has an existing injury, you are required to inform an educator and an Injury on Intake form will be completed. If an educator notices an injury throughout the day, that did not occur at the Service, an Injury on Intake form will be completed, and you will be asked to acknowledge this by signing the form upon collection. Educators may also phone you during the day to discuss the injury.

Medication

Please refer to medication, Paracetamol and Natural Remedies Policy for specific information in regard to medication.

St Paul's Lutheran Kindergarten has a policy for managing medical conditions which sets out practices if a child enrolled has a specific health care need, allergy or relevant medical condition.

Parents/guardians will be required to provide the Service with a medical management plan for their child for any specific health care need, allergy or relevant medical condition. St Paul's Lutheran Kindergarten will develop a risk minimisation and communication plan in conjunction with parents/guardians, to ensure that the risks relating to their child's specific health care need, allergy or relevant medical condition are assessed and minimised (as per Reg 90).

St Paul's Lutheran Kindergarten has a copy of the medical conditions policy readily available and families who indicate that their child has a medical condition or allergy will be provided with a copy (Reg 91).

If medication of any type is required during your child's attendance, then a medication form must be completed by the parent/guardian or person nominated on the enrolment form. Staff will only be able to administer medication after the form is completed correctly and signed; staff will complete and sign their section when the medication is administered.

In the case of complex medication administration, such as insulin, discussions will be held with families prior to or during enrolment, to ascertain whether the Service is able to accommodate the specific health needs of the child.

In cases of emergency a parent/guardian or person nominated on the enrolment form can consent to the administration of medication verbally or if parent/guardian or nominated person cannot be contacted then a registered medical practitioner or emergency service can consent.

In an anaphylaxis or asthma emergency, staff may administer medication without authorisation. Parent/guardians and emergency services will be contacted as soon as practicable. (Reg 94)

The medication administered will be from its original container before the expiry or use-by date, in accordance with any instructions attached to the medication or provided by a registered medical practitioner, prescribed medication, from a container that bears

the original label with the name of the child to whom it is prescribed, with a second person checking the dosage of the medication and witnessing its administration, details of the administration must be recorded in the medication record.

(Regs 92-95)

Immunisation

Immunisation is the most reliable method of preventing some infections. The Federal Government recommends that parents/guardians have their children immunised. The immunisation status of your child must be completed on your child's enrolment form and a copy of your child's immunisation history statement must be provided. Families who choose not to immunise their children, other than for medical exemptions, will not receive government subsidies (<http://www.ncirs.org.au/public/no-jab-no-play-no-jab-no-pay>).

Parents/guardians are responsible for providing staff with updated immunisation information. Children who have not been immunised will be excluded from care during specific outbreaks or epidemics of some infectious diseases such as measles and whooping cough. For information relating to fee payment during exclusion periods, please refer to Immunisation – Children Policy.

Sun Protection

Educators will apply sunscreen to children several times during the day. The Service provides sunscreen, however, if your child requires a specific brand, you will need to provide this to the Service, clearly labelled with your child's name. Please apply sunscreen to your child prior to or on arrival at the Service. Please ensure that clothing is sun smart. Sleeves are required for all children to protect shoulders. **Sun Smart hats are compulsory for all children and staff. Caps are not permitted.**

Emergency and Evacuation Procedures

Emergency and evacuation procedures are prominently displayed in the rooms and are clearly visible to staff and visitors. These procedures include emergency services, contact numbers and locations and local meeting points in the event of an evacuation. A copy of the emergency procedures for the Service is distributed to all new staff and volunteers on their first day at the service. Parents/guardians, staff, contractors, trades people,

volunteers and visitors are referred to the Emergency Procedures for appropriate action in the case of fire or another emergency requiring evacuation/lock-down. If you arrive at the Service during an evacuation or lock-down, please follow the direction of the Service's staff.

The Service will regularly rehearse evacuation/lockdown procedures.

Child Protection

All staff are committed to protecting children and young people from harm and promoting children's safety, dignity and well-being. (See QLECS' Statement of Commitment Appendix 1)

All early childhood educators are mandatory reporters and as such will report any child safety concerns to the relevant authority.

All staff at the Service who work with children are aware of the current child protection law in the provider's jurisdiction and understand their obligations under that law. (Reg 84)

All staff are required to maintain Child Protection training.

Smoking, Drug and Alcohol-Free Environment

The Service maintains an environment free from the use of tobacco, e-cigarettes, illicit drugs and alcohol. (Reg 82).

Please note that there are specific exclusions boundaries in regard to smoking and the use of e-cigarettes - 5 metres beyond the property boundary.

All parents/guardians/visitors are required to adhere to these legislated conditions.

Students and Volunteers

Our Service welcomes students and volunteers. We receive requests from Universities, TAFE Colleges and schools to host students who are taking part in work experience programs that relate to Early Childhood Education.

Before any student or volunteer is permitted to spend time at our Service, they must be approved by the Service Leader, hold a Positive Suitability Card, sign confidentiality and policy agreements and undergo an induction process. Families will be notified if a student will be visiting the Service.

Volunteers may also be accepted, only after careful screening and consideration of the children's needs. All volunteers, apart from a parent of a child who is in attendance, must hold a Positive Suitability Card.

Professional Development

The Service actively supports on-going Professional Development of all staff. Staff members attend courses, seminars, conferences and workshops throughout the year. Suitably trained relief staff will be employed in the absence of staff members.

LEADERSHIP AND SERVICE MANAGEMENT

Queensland Lutheran Early Childhood Services (QLECS)

QLECS support and oversee the running of the Service, including financial, staffing and compliance matters. QLECS is the Approved Provider's representative for Lutheran Early Childhood Services in Queensland and a support and management branch for Victorian and New South Wales Services. Each Service has its own Children's Services Manager and their details are displayed in the Service. The Children's Services Manager (CSM) is part of the QLECS Operations Team and works closely with the staff of the Service in areas such as programming, regulatory requirements, grant applications, staffing, financial administration and any other areas as required.

Fees

Our Service is a not-for-profit organisation that relies on the prompt payment of fees to remain financially viable. Fees are set by St Paul's Lutheran Kindergarten in conjunction with the Service Leader and are based on a carefully considered budget. Any surplus is expended into improving equipment, resources, facilities and building improvements at the Service. Fees will generally be reviewed annually and maintained as low as possible. It is important that your fees are always kept up to date.

Your statement will show amounts due up to the end of the current week.

Fee accounts are issued weekly. Your statement will show amounts due up to the end of the current week.

Payments must be continued during a child's absence for illness, holidays or for any other reason. Statutory holidays must be paid for however fees are not charged during the Christmas/New Year closure.

In the case of a government authority declared Pandemic, fees will continue to be charged unless the Service has been directed by a government authority. This is due to requirements under the Family Assistance Law (families in receipt of government funds).

Failure to pay fees will result in your details being referred to St Paul's Lutheran Primary School and a debt collection agency where the debt recovery policy will be implemented. Your child's continuing enrolment may be placed at risk. Please talk to the Service Leader if you are having difficulties paying your fees so that a payment plan can be implemented.

Full fees are payable until enrolments meet CCS requirements. Adjustments will then be made.

Late fees are charged to families who have not arrived by the Service's closing time. As late pick-up can be disruptive to staff and your child, we ask that if you know you are going to be late, please contact the Service and/or try and make other arrangements. If a parent/guardian has not made contact five minutes after the closing time, staff will try to contact the parent/guardian. If no contact can be made they will try the authorised persons indicated on the enrolment form. If no contact is made with anyone authorised on the enrolment form 30 minutes after closing time, the police will be called and we will follow their recommendations. The late fee is listed below:

\$5.00 at 6.05pm then \$2.00 per minute after this, or if late for a booked Session, the longer Session fee may be charged.

If there are outstanding fees of \$20.00 or more **a late fee penalty of \$20.00 per week** shall be applied. A fee becomes outstanding 7 days after the statement has been sent. The late fee penalty occurs every 7 days until the fee has been paid. (This statement for late fee penalty must remain in for Centrally Managed Services)

Fee Refunds

For information regarding parent/guardian refunds, please refer to the Fee Refunds Authorisation Policy.

Under the Queensland Kindergarten Funding Scheme, each Approved Kindergarten Program must offer a program for 15 hours per week. A child must be enrolled in the program for a minimum of 15 hours for the Service to be eligible for funding that is paid directly to the Service to support the kindergarten program. Children who attend more than one Service must nominate only one service to receive the funding.

Method of Payment

We are a cash free Service. All fees are to be paid by Debit Debit/Eftpos. *Please note that where parents/guardians set up this platform using a credit card, there will be a surcharge issued to the cardholder.*

If your family is experiencing financial difficulties or exceptional circumstances, please discuss this with the Service Leader. A payment plan may be established for you.

Child Care Subsidy (CCS):

St Paul's Lutheran Kindergarten is an Approved Care Provider and eligible parents/guardians can access Child Care Subsidy to assist with the payment of their fees. Child Care Subsidy (CCS) reduces the amount eligible families pay for child care (your 'out of pocket' or 'Gap' fee). To claim CCS, families must apply for Customer Reference Numbers (CRNs) through Centrelink. Once you have been issued with yours and your child's CRNs you need to submit a claim for Child Care Subsidy to Centrelink using your Centrelink online account (through MyGov). If you are assessed as eligible to receive CCS, you will need to supply the CRN and date of birth for both you and your child to the Service Leader so that the information can be entered into the Service's software system before the child attends the Service. The Service uploads child enrolment and attendance information weekly via the Service's software system to the government's Child Care Subsidy System. It calculates the CCS and fees are charged to the family minus your CCS entitlement.

If there are any changes made to the primary carer or CRN details (**as registered with Centrelink and linked to the Child's CCS application**, (e.g. incorrect information has been given and needs to change), this will **not be backdated past 14 days** when the correct information is provided.

In order to receive CCS, you must enter into a Complying Written Agreement (CWA) with the Service, which you are required to confirm online and after 14 weeks of non-attendance. Please note that the CCS process should ideally be finalised before your child's first day of attendance to ensure you receive your entitlements. This includes the Primary Parent agreeing to the electronic CWA as well as completing their Government Enrolment through myGov. Failure to do so will result in full fees being paid until your CCS is successfully activated.

Parents who receive CCS have an obligation that fee payments are kept up to date. Failure to do so may result in CCS being required to be paid back to the government and your child's enrolment cancelled.

Session hours

St Paul's Lutheran Kindergarten operates as a standard 11.5 hours per day. Fees are charged as one fee covering the 11.5 hours.

St Paul's Lutheran Kindergarten does not do varied session times at our service.

Shared Care

If a family shares the care of their child, that is, the child spends time living with one parent for one week, and the other parent the next week, both parents should have their own account at the Service (with separate enrolment forms) and separately apply for CCS. CCS calculations will be based upon each parent's individual circumstances and their gap fees may differ.

We realise this is a lot to comprehend and urge families to contact Centrelink on 13 61 50 should you require further information.

Absences

Each child is eligible for CCS for 42 days for allowable absences from care across all approved child care services during each financial year without the need to provide documentation, such as medical certificates. Absences beyond the first 42 days (up to a maximum of 10 further absences) will only be paid for as 'additional absences' if parents/guardians provide evidence that the absence has occurred under a permitted circumstance. Please note that these are total absences across all Services your child may attend; not a per Service allowance.

Additional absences do not include public holidays. If the Absences occur at or before the child's first day of physical attendance at the Service, or directly after their final day of physical attendance, no CCS will be paid for that absence as it is considered to be a Cessation of Care. Full fees will be charged in this instance. If CCS is applied, it will be withdrawn by CCSS when the CCS enrolment ceases. In this instance, the account holder will be responsible for any outstanding amounts

Discontinuing Enrolment

You are required to give **two weeks written notice** to the Service Leader if you are discontinuing your child's enrolment. **Fees are payable up to and including end of the notification date. Please note that Cessation of Care rules apply (as per the last paragraph under Absences) regardless of the notice period.**

Policies

The Service has a range of policies and procedures readily available as per regulatory requirements. These are accessible to families and can be found on entry to Kindergarten as well as a central copy in the service office.

A condition of enrolling your child at St Paul's Lutheran Kindergarten is that you agree and abide by the Service's policies. These policies cover all aspects of operation and management in accordance with regulations. The policies also incorporate the Code of Ethics produced by Early Childhood Australia. If you would like to raise an issue about a policy, please put your views in writing addressed to the Service Leader and/or the Children's Services Manager.

Inclusion Policy

Children have a wide variety of backgrounds and experiences. We recognise the unique individuality of each child and their family and observe a policy of acceptance and respect for everyone regardless of race, creed, gender, class, culture or ability. Where a child has additional needs, parents/guardians are asked to discuss their child's requirements/expectations with the Service Leader prior to enrolment. Medical/diagnostic information will be required. Families may be eligible for inclusion Support funding

Insurance

The service is fully covered by Public and Products Liability through the LCA Insurance Fund.

Feedback and Concerns

Family input, comments and questions are always welcome. From time to time you may receive a survey or evaluation form asking you to provide feedback on you and your child's experiences at the Service. Please take the time to read and respond to these requests as they assist us to improve the quality of our Service. We value constructive feedback from all stakeholders.

Open communication is the most effective means of addressing any issues.

The following procedure is recommended for parents/guardians to follow if a concern arises:

1. In the first instance, please approach the Service Leader to discuss the matter. Be willing to express how you feel clearly and be open to working with the Service Leader to resolve this matter. This may involve more than one discussion.
2. Concerns that are unresolved can be conveyed to the Children's Services Manager (CSM) verbally or in writing. Contact details for your CSM will be on display at the Service.

Families may also contact the Regulatory Authority with enquiries or complaints at any time.
