

# EXCURSION TERMS & CONDITIONS

By accepting this document, I give consent for my child to attend the following excursion:

***District Cross County Trials, Tuesday 3<sup>rd</sup> May 2022  
Burpengary Sports Complex***

I accept that the teachers and instructors will take appropriate disciplinary action in an attempt to ensure the safety, well-being, and successful conduct of the students who participate in the activities associated with the excursion.

In the event of any illness or accident, I authorise the obtaining of such medical assistance as my child may require. In the event of any medical emergency during the excursion, I appoint the supervising teacher-in-charge as our agent, with the right to arrange ambulance evacuation and medical treatment, if deemed necessary, and we cannot be contacted immediately.

I also accept the responsibility for payment of any expenses thus incurred which exceed the limit imposed by the school's insurance policy (student insurance details are available from the office).

Any such duly qualified doctor who treats our child in any emergency life-or-death situation has my consent to undertake life-saving surgery, including if necessary, the administration of anaesthetic and/or blood transfusions.

If you **do not** give consent to the above due to religious or other objections, please contact the school to give instructions on an alternative action in a life-or-death emergency situation.

***If your child requires medication whilst on the excursion, please provide the medication with a Pharmacy Label (Patient Name, Dosage, Doctor's Name) in a clearly labelled container or quick seal bag with documentation stating dosage and frequency and hand it to the teacher on the morning of the excursion.***

## **CODE OF CONDUCT**

We believe that our students have the capacity to remain well behaved and respectful during this wonderful time together.

In order for this excursion to run smoothly and safely for all involved, it is vital that the following Code of Conduct is brought to you and your child's attention:

- Listening to and obeying instructions given from staff at the venue, St Paul's staff and parent helpers.
- Treating other students and staff with respect. For example, speaking courteously to one another, manners and enthusiastic participation in duties.

I have read and discussed the above Code of Conduct with my child. I understand that if my child engages in negative and unsafe behaviour, that there will be a step-by-step process of behaviour management concerning my child.
